## NOTES:

- All documents that have been scanned and uploaded will appear
- Use the arrows in the Page section to see additional pages/documents
- If you cannot find a transcript, contact Yolanda or Elvita

The screenshot displays the opentext ApplicationXtender interface. The top navigation bar includes the user name 'YCOLEMAN' and document information 'Document 1 of 1'. The main toolbar features options for Document, Page, Rotate, Zoom (44%), Annotation, Format, and Actions. The 'Page' section shows '1 / 10' with navigation arrows. The document content is a transcript for Tayari Coleman, a student at California State University, Chico. It includes a 'Send To' address at West Valley College and an 'Academic Program History' table. A 'RECEIVED' stamp from NOV 05 2020 is visible. At the bottom, a 'Transfer Credits' table is shown.
