Participants are advised to consult with their own attorney for a determination of their respective legal rights, responsibilities and liabilities, including the interpretation of any statute or regulation, or its application to the participants' business activities. Furthermore, while the presenter hopes this information will help participants identify and mitigate liability exposures, neither they nor their entities or employees make any promise or representation that participants will recognize improved loss experience or premium savings as a result of any suggestion or recommendation made by the presenter. Information about COVID-19 is still rapidly changing. Schools should always refer to, and comply with any local Department of Health mandates, guidelines, and recommendations.

What do you do when

When a work-related injury occurs and it is reported?

Check list:

- ✓ Is medical treatment needed?
 - ✓ If so, what treatment is appropriate?
- ✓ Document what happened
 - ✓ Who, What, When, Where and Why
- ✓ Timely report the injury
 - ✓ Make sure everyone is properly notified

The hardest decision is...

Should I seek medical treatment?

Who should decide?

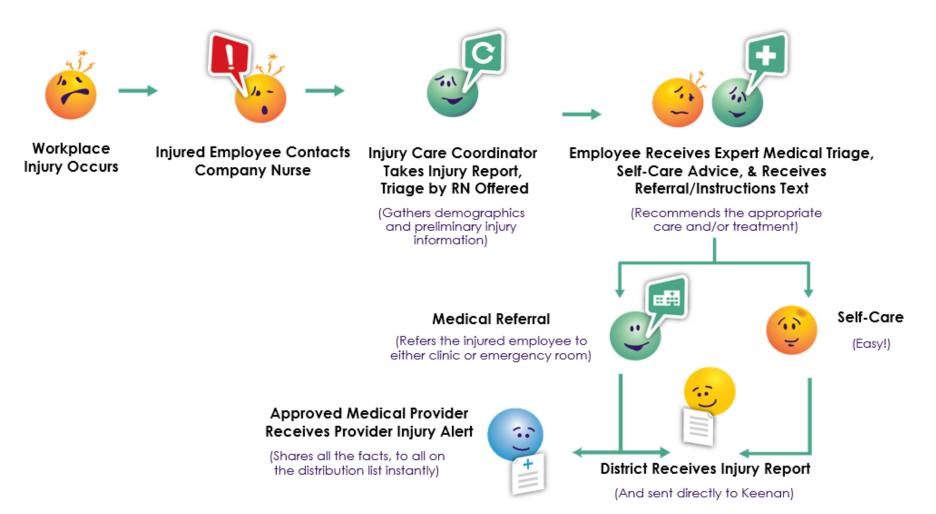

Let Company Nurse triage the injury and refer the injured worker to the proper treatment.

What is Company Nurse?

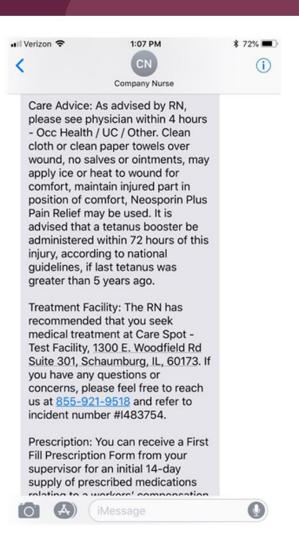

- Triage hotline staffed 24/7/365 Days Per Year
 - Translators available for up to 200 different languages
 - Scripts can be customized
- Medical triage service within minutes
 - AMA Medical Advice (standards used for all work-related injuries)
 - Medical referrals to your designated provider

What happens when the injured worker calls?

Text to Injured Worker

The injured worker will have the option of receiving a text message with either the self care recommendation or the medical facility information.

Telemed Available

Telemed is available for qualifying injuries. Company Nurse will triage and make the referral directly to Concentra Telemed

- Grade I/II upper/lower extremity strains/sprains
- Minor neck and back strains/sprains
- Bruises/contusions
- Minor burns
- Abrasions/scrapes
- Contact dermatitis/rashes
- Tendonitis/repetitive-use injuries
- Bloodborne pathogen exposures

Concentra Telemed* is the first telemedicine platform designed for work-related injuries and illnesses. Since Its launch in 2017, thousands of employees nationwide have trusted Concentra Telemed to connect with our licensed Concentra* clinicians for the right care at the right time using video technology. Employees receive prompt attention to relatively minor work-related medical issues, work injury rechecks, and more.

Treatable Condition

- . Grade I/II upper/lower extremity strains/sprains
- . Minor neck and back strains/sprains
- · Bruises/contusions
- · Minor burns
- · Abrasions/scrapes
- · Contact dermatitis/rashes
- Tendonitis/repetitive-use injuries · Bloodborne pathogen exposures

Other Concentra Telemed Services

- · Physical therapy
- + COMID-19 roturn-to-work evaluations
- . Transfer-of-care evaluations

Available through workers' compensation programs for initial injuries and through nurse triage should your program Include It, Concentra Telemed can be a valuable component to your workplace injury program. and process.

Concentra Telemed Advantages

Expertise. Concentra clinicians are trained Complete care. Concentra Telemed is to deliver quality occupational health care. designed to provide full treatment of most A Concentra Telemed virtual visit offers the minor work injuries without the need to refer a same level of care as delivered in person at patient to a Concentra medical center. nor modical centers

to a licensed Concentra clinician from their continue treatment in a nearby Concentra smartphones computers or tablets - no need to worry about clinic hours or travel

Enhanced functionality. Our platform offers an exceptional patient experience with streamlined user options for fewer clicks, limited downtime for scheduled maintenance, processes, and receive the same activity and the ability to add guests via video.

Continuum of care. Should a telemedicine Convenience. Employees have 24/7 access patient require hands-on care, we can

One process, regardless of care location. Whether an employee receives in-person care at a Concentra medical center or uses Concentra Telemed, you use the same treatment authorization and billing

modical contor with minimal dolay.
