1. PROGRAM CAMPUS POLICE DISPATCH NUMBERS INTO YOUR PHONE – Within the campus community our police department can respond to emergencies faster than local law enforcement. The seven digit 9-1-1 number is: 408-299-3233
2. REPORT SUSPICIOUS ACTIVITY – Criminals do not want to be seen or heard. We rely on the community to report suspicious activity. We would much rather respond and not be needed than to not be called when something could have been prevented or stopped. Trust your instincts; if something does not feel right, it probably isn't.
3. BE AWARE OF YOUR SURROUNDINGS – Avoid going to secluded areas of the campus alone. If you are going into a dark or concealed area of the campus, find a trusted classmate or colleague to go to these areas with you.

It is the duty of the West Valley-Mission Community College District to warn of possible dangerous conditions or on-going threats on or near campus. This message is being sent in compliance with the "Timely Notice" provisions of the federal Jeanne Clery Disclosure of Campus Security and Campus Crime Statistics Act of 1998.
