Section 1 – Important enrollment guidelines for Specialty Benefits coverage

Dental, Vision, and Life Insurance coverage - An employee may enroll in a dental, vision, or Life plan without enrolling in a health plan. In order for a dependent to enroll in a dental or vision plan, the employee must be enrolled in the same dental or vision plan.

All of an employee's dependents enrolled in the health plan will automatically be enrolled in the Dependent Life Insurance plan if the employer offers dependent life insurance coverage.

An employee must enroll in basic life insurance to be eligible to enroll in supplemental life insurance coverage. The employee may also enroll their spouse/ domestic partner and child(ren) in supplemental life insurance – only if supplemental dependent life insurance is offered by the employer. Coverage may be subject to evidence of insurability. For all life insurance coverage, if an employer contributes 100% of the premium, then 100% of eligible employees must enroll.
