Why Am I Receiving This Notice?

Employers are required to send the enclosed notice to every U.S. employee to comply with rules under the federal Patient Protection and Affordable Care Act (ACA).

What Do I Need to Know?

Upon hire or during open enrollment you will *be/were* notified if you are eligible for future group health plan coverage. You may choose to obtain health coverage through the Marketplace. Depending on your household income, you may also be eligible for a tax credit and/or premium assistance to help reduce the cost of health coverage obtained through the Marketplace.

Information You Need if You Are Eligible for Group Health Plan Coverage

If you buy insurance in the Marketplace, you will **not** receive an employer contribution for that coverage.

If you want to continue health coverage through our plan, **you don't need to take further action.**
