

## 2015-16 Board of Trustees Self-Evaluation Goals

Monitor implementation of the Banner ERP, including the financing of the implementation.

Review the West Valley College and Mission College Educational and Facilities Master Plans and their implications for the Colleges and the District.

Increase Board training and education, including best practices, concerning Board responsibilities.

Develop a program for outreach by Board members to internal constituents and the external community, including civic and other groups.

Review and consider revisions to current Board Policy 5010, Admissions and Concurrent Enrollment.
