Bidders are solely responsible for timely submission of Bid Proposals to the District at the place designated in the Call for Bids. The District will place a date/time stamp machine in a conspicuous location at the place designated for submittal of Bid Proposals. A Bid Proposal is submitted only if the outer envelope containing the Bid Proposal is stamped by the District's date/time stamp machine. The date/time stamp is controlling and determinative as to the date and time of the Bidder's submittal of its Bid Proposal. The foregoing notwithstanding, whether or not Bid Proposals are opened exactly at the time fixed in the Call for Bids, no Bid Proposals shall be received or considered by the District after it has commenced the public opening and reading of Bid Proposals; Bid Proposals submitted after such time are non-responsive and will be returned to the Bidder unopened.

If any Bid Proposal or portions thereof, is determined by the District to be incomplete, illegible, ambiguous or inconsistent, whether by virtue of any erasures, interlineations, corrections or otherwise, the District may reject such a Bid Proposal as being non-responsive.
3. **Examination Contract Documents.** Each Bidder shall at its sole cost and expense carefully review the Contract Documents; submission of a Bid Proposal is prima facie evidence of such action by the Bidder. The failure of a Bidder to receive or examine any of the Contract Documents shall not relieve such Bidder from any obligation under the Contract Documents.
4. **Interpretation of Contract Documents.** If the Bidder is in doubt as to the true meaning of any part of the Contract Documents; finds discrepancies, errors or omissions therein; or finds variances in any of the Contract Documents with applicable rules, regulations, ordinances and/or laws, a written request for an interpretation or correction thereof may be submitted to the District. Bidders are solely responsible for submitting to such request not less than three (3) days prior to the scheduled closing date for the receipt of Bid Proposals. Interpretations or corrections of the Contract Documents will be by written addendum issued by or on behalf of the District. No person is authorized to render an oral interpretation or correction of any portion of the Contract Documents to any Bidder, and no Bidder is authorized to rely on any such oral interpretation or correction. Failure to request interpretation or clarification of any portion of the Contract Documents pursuant to the foregoing is a waiver of any discrepancy, defect or conflict therein. Requests of Bidders, pursuant to the foregoing shall be submitted in writing or by email to: Derek Allen, Project Manager, DSA School Inspectors Inc, Derek@DSASchoolinspectors.com.
5. **District's Right to Modify Contract Documents.** Before the public opening and reading of Bid Proposals, the District may modify the scope of materials, equipment or other goods subject to this

procurement, the requirements therefore, the Contract Documents, or any portion(s) thereof by the issuance of written addenda disseminated to all Bidders who have obtained the Contract Documents. If the District issues any addenda during the bidding, the failure of any Bidder to acknowledge such addenda in its Bid Proposal will render the Bid Proposal non-responsive and rejected.

6. **Bidders Interested in More Than One Bid Proposal; Non-Collusion Affidavit.** No person or entity shall submit or be interested in more than one Bid Proposal for the Equipment; provided, however, that a person or entity that has submitted a sub-proposal to a Bidder or who has quoted prices for materials to a Bidder is not thereby disqualified from submitting a sub-proposal, quoting prices to other Bidders or submitting a Bid Proposal for the Work. The form of Non-Collusion Affidavit included in the Contract Documents must be completed and duly executed on behalf of the Bidder; failure of a Bidder to submit a completed and executed Non-Collusion Affidavit with its Bid Proposal will render the Bid Proposal non-responsive.
7. **Award of Contract.** The Contract for the materials, equipment, products and goods, if awarded, will be by action of the District's Board of Trustees to the responsible Bidder submitting the lowest priced responsive Proposal for all items of materials, equipment or goods subject to this procurement.
8. **Bid Security Return.** The Bid Security of two or more low Bidders, the number being solely at the discretion of the District, will be held by the District for ten (10) days after the period for which Bid Proposals must be held open (which is set forth in the Call for Bids) or until posting by the successful Bidder of the bond(s) and certificates of insurance required, whichever first occurs, at which time the Bid Security of such other Bidders will be returned to them.
9. **Forfeiture of Bid Security.** If the Bidder awarded the Contract hereunder fails or refuses to execute the Agreement within five (5) days from the date of receiving notification that it is the Bidder to whom the Contract has been awarded, the District may declare the Bidder's Bid Security forfeited as damages caused by the failure of the Bidder to enter into the Contract and may thereupon award the Contract for the Work to the responsible Bidder submitting the next lowest Bid Proposal or may call for new bids, in its sole and exclusive discretion.
10. **Public Records.** Bid Proposals and other documents responding to the Call for Bids become the exclusive property of the District upon submittal to the District. Upon the District's issuance of the Notice of Intent to award the Contract, all Bid Proposals and other documents submitted in response to the Call for Bids shall thereupon be considered public records, except for information contained in such Bid Proposals deemed to be Trade Secrets (as defined in California Civil Code §3426.1). A Bidder that indiscriminately marks all or most of its Bid Proposal as exempt from disclosure as a public record, whether by the notations of "Trade Secret," "Confidential," "Proprietary," or otherwise, may render the Bid Proposal non-responsive and rejected. The District is not liable or responsible for the disclosure of such records, including those exempt from disclosure if disclosure is deemed required by law, by an order of Court, or which occurs through inadvertence, mistake or negligence on the part of the District or its officers, employees or agents. At such time as Bid Proposals are deemed a matter of public record, pursuant to the above, any Bidder or other party shall be afforded access for inspection and/or copying of such Bid Proposals, by request made to the District in conformity with the California Access to Public Records Act, California Government Code §§6250, et. seq. If the District is required to defend or otherwise respond to any action or proceeding wherein request is made for the disclosure of the contents of any portion of a Bid Proposal deemed exempt from disclosure hereunder, the Bidder submitting the materials sought by such action or proceeding agrees to defend, indemnify and hold harmless the District in any action or proceeding from and against any liability, including without limitation

attorneys' fees arising therefrom. The party submitting materials sought by any other party shall be solely responsible for the cost and defense in any action or proceeding seeking to compel disclosure of such materials; the District's sole involvement in any such action shall be that of a stakeholder, retaining the requested materials until otherwise ordered by a court of competent jurisdiction.

11. **Notice of Intent to Award Contract.** Following the public opening and reading of Bid Proposals, the District will issue to Bidders timely submitting a Bid Proposal, a Notice of Intent to Award the Contract, identifying the Bidder to whom the District intends to award the Contract, and the date, time and place of the Board of Trustees meeting to consider award of the Contract.
12. **Bid Protest.** Any Bidder submitting a Bid Proposal to the District may file a protest of the District's intent to award the Contract(s) provided that each and all of the following are complied with:
 - (i) The bid protest is in writing;
 - (ii) The bid protest is filed and received by the District's Vice-Chancellor, Administrative Services, not more than five (5) calendar days following the date of issuance of the District's Notice of Intent to Award the Contract; and
 - (iii) The written bid protest sets forth, in detail, all grounds for the bid protest, including without limitation all facts, supporting documentation, legal authorities and argument in support of the grounds for the bid protest; any matters not set forth in the written bid protest shall be deemed waived. All factual contentions must be supported by competent, admissible and creditable evidence.

Any bid protest not conforming to the foregoing shall be rejected by the District as invalid. Provided that a bid protest is filed in strict conformity with the foregoing, the District's Vice-Chancellor, Administrative Services, or such individual(s) as may be designated by him, shall review and evaluate the basis of the bid protest. Either the District's Vice-Chancellor, Administrative Services, or other individual designated by her/him shall provide the bidder submitting the bid protest with a written statement concurring with or denying the bid protest. The rendition of a written statement by the Vice-Chancellor, Administrative Services, or his designee, is an express condition precedent to the institution of any legal or equitable proceedings relative to the bidding process, the District's award of the Contract, the District's disposition of any bid protest or the District's decision to reject all Bid Proposals. In the event that any such legal or equitable proceedings are instituted and the District is named as a party thereto, the prevailing party(ies) shall recover from the other party(ies), as costs, all attorneys' fees and costs incurred in connection with any such proceeding, including any appeal arising therefrom.
