## CONSTRUCTION NOTICE

**Location:** Learning Resource Center

**Subject:** Material Transportation & Crane Pick for Roofing and HVAC Units

Dear West Valley College,

Between 4/4/24 and 4/5/24, a flatbed delivery truck will be loading roofing material and HVAC units from the Misc. Lot behind the Volleyball Courts and from Lot 7 in order to transport material to the LRC Project site.

On 4/5/24, a crane will be staged in the ADA Lot between LASS and LRC for hoisting of material to the LRC roof.

Flaggers will be present at each staging area as required.

We appreciate your understanding and patience as we enhance the aesthetics of the West Valley Campus through this necessary work.
