CONSTRUCTION NOTICE

Location: Learning Resource Center

Subject: Crane Pick - Roofing Material

Dear West Valley College,

On 5/15/24, a crane will be used to load material onto the LRC roof. The crane will be placed within the project fence line. Some traffic is expected in the morning for the setup of the crane and throughout the afternoon for material transport.

Flaggers will be present at each staging area as required.

We appreciate your understanding and patience as we enhance the aesthetics of the West Valley Campus through this necessary work.
