Subject: Fence Line Expansion Between LRC and Visual Arts

Dear West Valley College,

On 6/3/24, the fence line on the North side and North East Side of the project will be expanded to encompass the majority of the road between LRC and Visual Arts. Please reference the attached map.

There will be a 5ft pedestrian access pathway that will remain available. The fence will shift back and the road will be re-opened the week of 8/19/24 prior to start of Fall Semester.

We appreciate your understanding and patience as we enhance the aesthetics of the West Valley Campus through this necessary work.
