CONSTRUCTION NOTICE

Location: Learning Resource Center

Subject: Crane Pick - Tower Steel

Dear West Valley College,

On 6/6/24 and 6/7/24, a small 80T Crane will arrive on site for erection of tower steel. The Crane will enter the site via Gate 1 off of E. College Circle. Flaggers will be present at all times to direct the crane into the area of work. No impacts anticipated outside of the fence line beyond the initial mobilization.

We appreciate your understanding and patience as we enhance the aesthetics of the West Valley Campus through this necessary work.
