

FACILITIES DEPARTMENT

WEST VALLEY COLLEGE

CONSTRUCTION NOTICE

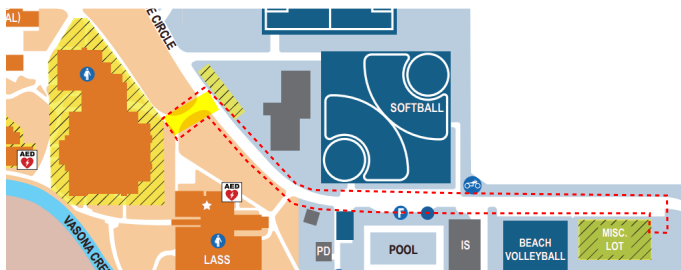

Location: Learning Resource Center

Subject: Material & Equipment Deliveries

Dear West Valley College,

There are multiple deliveries scheduled for week of July 15th. For each delivery, a large truck will arrive to the project entrance on E. College Circle for material offloading. Please note that for safety purposes, the July 18th delivery will be staged in the Misc. Lot and transported to the site. For any instance where delivery truck cannot be contained within the project fence line, flaggers will be present at all times to direct traffic and pedestrians as needed.

We appreciate your understanding and patience as we enhance the aesthetics of the West Valley Campus through this necessary work.
