WEST VALLEY COLLEGE CONSTRUCTION NOTICE

Location: College of Adaptive Arts Building

Subject: CAA Building Re-Roof

Dear West Valley College,

Contractors will begin roof preparation and re-roof at the CAA Building.

The project will begin with the power washing of the roof beginning on Saturday, 10/12/24 followed by the re-roof application on Monday, 10/14/24. The re-roof application is expected to be completed by 10/19/24. Low to medium noise levels and vibrations are expected. All appropriate safety measures will be set in place.

The goal of the project is to complete all work while CAA occupants are off-site during their "Break Week" which is from 10/14 - 10/18/24.

If the schedule changes, another construction notice will be sent within the coming days with an updated time line for activities. We appreciate your understanding and patience as we enhance the aesthetics of the West Valley Campus through this necessary work. If you have any questions please contact your respective department manager.
