CONSTRUCTION NOTICE

Project: WV Cell Tower Removal

Location: Theater Building

Subject: T-Mobile Equipment Removal

A contractor will be on-site to remove the T-Mobile cell tower generator located behind the building, as well as some equipment from the roof of the Theater. As a result, the Theater parking lot and ADA parking spaces will be temporarily closed.

Additionally, a crane and trailer will be stationed in the lot west of the Theater, which may impact access.

We appreciate your understanding and patience as we carry out this essential maintenance project to enhance the aesthetics of the West Valley Campus.
