Emergency travel assistance is available to you when you travel to any foreign

country, including neighboring Canada or Mexico. It is also available anywhere in the United States for those traveling more than 100 miles from home. Your spouse and dependent children do not have to be traveling with you to be eligible. However, spouses traveling on business for their employer are not covered by this program.

Survivor Benefit

Unum will pay your eligible survivor a lump sum benefit equal to 3 months of your gross disability payment.

This benefit will be paid if, on the date of your death, your disability had continued for 180 or more consecutive days, and you were receiving or were entitled to receive payments under the plan. If you have no eligible survivors, payment will be made to your estate, unless there is none. In this case, no payment will be made. However, we will first apply the survivor benefit to any overpayment which may exist on your claim.

Re: Administrative Changes to California issued Group Short Term
Disability Insurance and Group Long Term Disability Insurance Policies

Dear Policyholder:

The following administrative changes will be applied to your group short term disability and group long term disability insurance policies issued in California by Unum Life Insurance Company of America to the extent the described provisions are applicable to your insurance policies.

Effective for claims filed on or after June 24, 2004, unless they were closed prior to October 3, 2005:

1. We are administratively adding the following definition of total disability, and if your policy includes a definition of disability, the term "disability" is revised to include total disability. If your policy already contains a definition of "total disability," we are revising that definition as follows. All time periods and other definitions of disability remain and apply with reference to the occupational criteria described in this letter..

You are "totally disabled":

During any period covering a disability for your occupation, own occupation, normal occupation, regular occupation or usual occupation when a disability renders you unable to perform with reasonable continuity the substantial and material acts necessary to pursue your usual occupation in the usual and customary way.

During any period covering a disability from any occupation, any other occupation, any gainful occupation, any other gainful occupation, reasonable occupation, or another occupation when a disability renders you unable to perform with reasonable continuity the substantial and material acts necessary to pursue your usual occupation in the usual and customary way and unable to engage with reasonable continuity in another occupation in which you could reasonably be expected to perform satisfactorily in light of your age, education, training, experience, station in life, physical and mental capacity. "Substantial and material acts" as used in the above definition of disability, means acts that:

- are normally required for the performance of your usual occupation or another occupation; and
- cannot be reasonably omitted or modified.

"Usual occupation" means the substantial and material acts you are routinely performing for your employer when your disability begins.

Effective for claims filed after October 3, 2005:2. For any provision limiting or excluding coverage for disabilities "contributed to by" a pre-existing condition, the "contributed to by" language will not be applied.

Effective for open claims as of October 3, 2005 and new claims filed after October 3, 2005

3. Any policy language regarding reductions to benefit payments for Social Security Disability Income (SSDI) benefits will be administered so that benefit payments will only be reduced by SSDI benefits actually received by the claimant, dependent spouse or children.
-

-
4. Any policy language requiring participation in a mandatory rehabilitation program in order to receive a benefit will not be applied and participation will be voluntary.
 5. If your policy contains a benefit payable to a claimant's survivors, any age limitation for surviving children in the definition of eligible survivor will not be applied. If there are no eligible survivors and no estate is formed, the benefit will be paid to the state of California.

Effective for claims filed after your next policy renewal date:

6. Any policy language limiting the duration of payment for a disability caused by mental and nervous conditions will be administered so that the limitation does not begin if benefits are also being paid for physiologically based conditions, until the physiologically based conditions have ended.
7. Any policy language setting limits on benefits for disabilities based on self-reported conditions will not be applied.

All other terms and provisions of your policy continue to apply and will be administered consistently with this letter. Policy provisions reflecting items 1-3 have been filed with the California Department of Insurance. As requested by the Department, you will receive a policy endorsement covering these three items upon approval of our filing. This administrative letter can be canceled or modified by Unum Life Insurance Company of America at any time to the extent permitted by state law or future regulatory interpretation.

Sincerely,

Susan Roth
Secretary
