# Introduction

The Banner Finance System has the following modules: **General Ledger, Finance Operations, Purchasing and Procurement, Accounts Payable**, Human Resources/Payroll, Endowment Management, and Accounts Receivable.

## General Ledger

The General Ledger is the core module of the Banner Finance System. It is fully integrated with each of the other subsystems that comprise the Banner Finance System, and maintains both general and subsidiary ledgers to support comprehensive query and reporting capabilities. General Ledger encompasses fund accounting, chart of accounts, system table maintenance and update, and grants and contract accounting.

## Finance Operations

The Finance Operations module contains a series of forms that allows users to manage the Banner Finance System. The functions in this module enable users to specify select global parameters, as well as Access/Approval/Security definitions.

## Purchasing and Procurement

The Purchasing and Procurement module recognizes that purchasing agents face both on-demand and long-term buying decisions. The subsystem provides timely and meaningful information to facilitate both decisions. This module also assists in the control of requests and the receipt of goods. The module consists of the following processes:

- Requests for goods and services
- Ordering/buying
- Receiving
- Bids/contracts

## Accounts Payable

The timely payment of vendor invoices enables the District to accurately monitor cash-flow, increase investment earnings, and establish good relationships with vendors. The Accounts Payable subsystem is design to help the District achieve each of these goals.

## Human Resources/Payroll

The Human Resources and Payroll modules streamline the processing of employee records, benefit administration, time and attendance, salary, deductions and tax payment processing. Banner system also interfaces with Web-Time Entry (WTE), an online time sheet reporting system where hourly employees can enter hours worked on a daily basis and their supervisors can do the online approval which will then feed to payroll system.

## Endowment Management

The Endowment Management module (EMS) in Banner Finance enables you to create and maintain unitized pools of endowment or similar funds. These funds consist of monetary gifts received by an institution and/or internal transfers of resources within an institution. On a periodic basis, you can convert gifts and internal transfers into *units*, or shares, in a pool.

You can also link endowment funds to spendable income funds and record donor-imposed restrictions on spendable income. Then, on a periodic basis, you can distribute the following:

- Spendable income
- Realized gains and losses (trading activity)
- Unrealized gains and losses (market fluctuations)
- Spending formula variance (the difference between total income earned by a unitized pool and distributed spendable income)

## Accounts Receivable

The Banner Accounts Receivable System is used to maintain charge and payment information for individual accounts. This includes student registrations, refunds, write-offs and miscellaneous receipts from the colleges. The system allows users to establish customer accounts with categories for billing and reporting. It also supports billing on an individual invoice basis. The cashiering component supports online processing of all types of payments, including credit cards through third-party payment processor.

## Banner Functions:

1. **Budget check** is currently set-up in Banner for Budget Transfers, Expense Transfers, and Requisitions
2. Online approval process is activated for Budget Transfers, Expense Transfers, and Requisitions
3. Finance **Self Service Banner (SSB)**
  - Staff at department level can enter Budget and Expense Transfers with less than five lines in Self Services Banner
  - Staff will be able to load documents and view documents in Banner Document Management (BDM)
  - Staff will be able to view available budget in SSB
4. **Argos Reporting** (Third party tool for report writing)
5. Payments to vendors can be made through automated clearing house (ACH), also known as direct deposit
6. Budget pools are available
  - Supplies and Materials - 410000
  - Utilities and Housekeeping Services - 500000
  - General Operating Expenses and Services - 500100

## Chart of Accounts (COA) Structure

The Chart of Accounts is the “key” to Banner Finance. It defines the accounting distribution used on all transactions processed in the Banner Finance module.

Fund	Organization	Account	Program
XXXXXX	XXXXXX	XXXXXX	XXXXXX

**Fund** – The fund field consists of six numeric characters that define a fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources. These resources are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions or limitations.

Level 1 Fund – Three numeric characters (Reporting level)

Level 3 fund – Six numeric characters (Data enterable)

Level 1 Fund:

- 110 – Unrestricted General Fund
- 12X-13X – Restricted General Fund
- 212 – General Obligation Bonds Debt Service Fund
- 291 – Retiree Health Benefits Fund
- 292 – Lease Revenue Bonds Debt Service Fund
- 330 – Child Development Fund
- 410 – Capital Projects Fund
- 430 – GO Bonds Capital Projects Fund
- 591 – Community Ed Workforce and Econ Dev Fund
- 597 – Entrepreneurial Funds
- 711 – Associated Students Trust Fund
- 722 – Student Rep Fee Trust Fund
- 731 – Student Body Center Fee Trust Fund
- 741 – Student Financial Aid Trust Fund
- 751 – Land Corp Endowment Fund
- 752 – Scholarship Fund
- 791 – OPEB Trust Fund
- 792 – Pension Stabilization Fund
- 820 – Scholarship and Loan Agency Fund
- 830 – Foundation Agency Fund

999 – Entity Wide Fund

000 – Bank Fund

**Organization** – This six-character code identifies a unit of budgetary responsibility and/or departments within an institution. The first digit in the sequence identifies the **location**.

1XXXXX – West Valley College

2XXXXX – Mission College

3XXXXX – District Services

4XXXXX – Capital Projects

**Account** – This six-character code identifies accounts, such as the general ledger accounts and the operating ledger accounts.

9 – Balance sheet account (Assets, Liabilities, Equity)

8 – Revenues

1 – Expense (Certificated Salary)

2 – Expense (Classified Salary)

3 – Expense (Benefits)

4 – Expense (Supplies and Materials)

5 – Expense (Operating)

6 – Expense (Capital Outlay)

7 – Expense (Transfers/Other Outgo)

**Program** – This six numeric character code identifies a function and enables the institution to establish a method of classifying transactions across organizations and accounts. The numbers represent classification of expenditures by activity, which reflects the purpose of the expenditures; it shows the aspect of college-district operations benefited by the expenditure. Generally, all activities can be classified as either instructional or administrative and support (non-instructional). Programs are used to classify the expenditures for reporting purposes.

010000-5900XX      Instructional Programs

600000-7900XX      Non-instructional Programs

800000-8XXXXX      Capital Projects

**Activity** – Used by the college to track special activities. They are assigned and administered by college staff. Activity code is **not a required field** for requisitions, expense transfers, budget transfers, and budget check.

**Location** – This three-numeric character is used to identify the location for fixed asset. They are **not used in the account string and are not a required field** for requisitions, expense transfers, budget transfers, and budget check.

## Getting into Banner

### Accessing Self Service Banner (SSB)

Step 1A: Log onto the District website and click on the links under Banner below. Click on “Login to SSB” to access Self Service Banner.

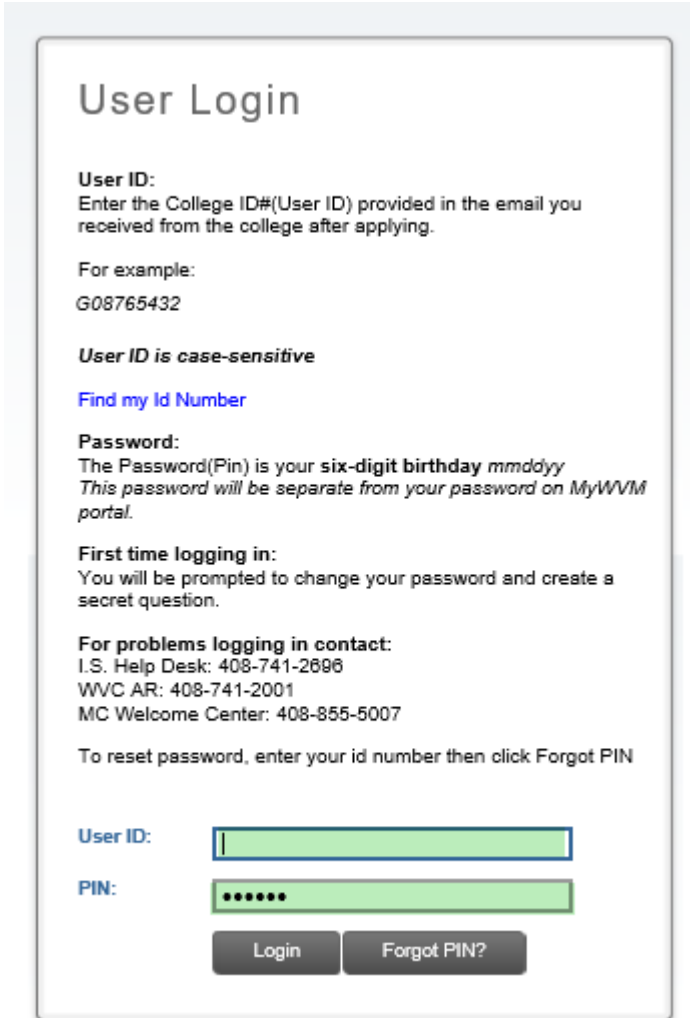

The screenshot shows a web browser window with the URL <https://www.wvm.edu/Pages/default.aspx>. The website header includes the logo and name "West Valley - Mission Community College District" and a navigation menu with items: ABOUT, EXECS, FACULTY / STAFF, COMMITTEES, CONTACTS, and PORTAL. A main navigation menu lists various services such as Human Resources, Facilities, General Services, Fiscal Services, Information Systems, District Police, and Campus Police Website. On the right side, there is a list of forms and calendars. The word "Banner" is highlighted in yellow, and below it, "Login to SSB" is also highlighted in yellow. Other items in the list include "Banner Resources", "Fiscal Services Banner Documents", "DegreeWorks", "Prod", and "Non-Prod".

The screenshot shows a page titled "Banner Production" with a pink banner that says "These links work only when on campus." Below this, there are four main sections:

- Banner 9 Application Navigator**: Contains a link for "App Nav - PROD".
- Self Service Banner (SSB)**: Contains three links: "SSB-PROD - Portal login", "SSB-PROD - Id number login", and "SSB9 Course Search".
- Banner Document Management**: Contains a link for "BDM - PROD".
- MAPS/ARGOS**: Contains a link for "ARGOS (PROD Evisions)".

Step 1B: Enter User ID (G0xxxxxxx) and PIN (6-digit number) assigned to you.

**User Login**

**User ID:**  
Enter the College ID#(User ID) provided in the email you received from the college after applying.

For example:

## Accessing Banner INB (Internet Native Banner)/Administrative

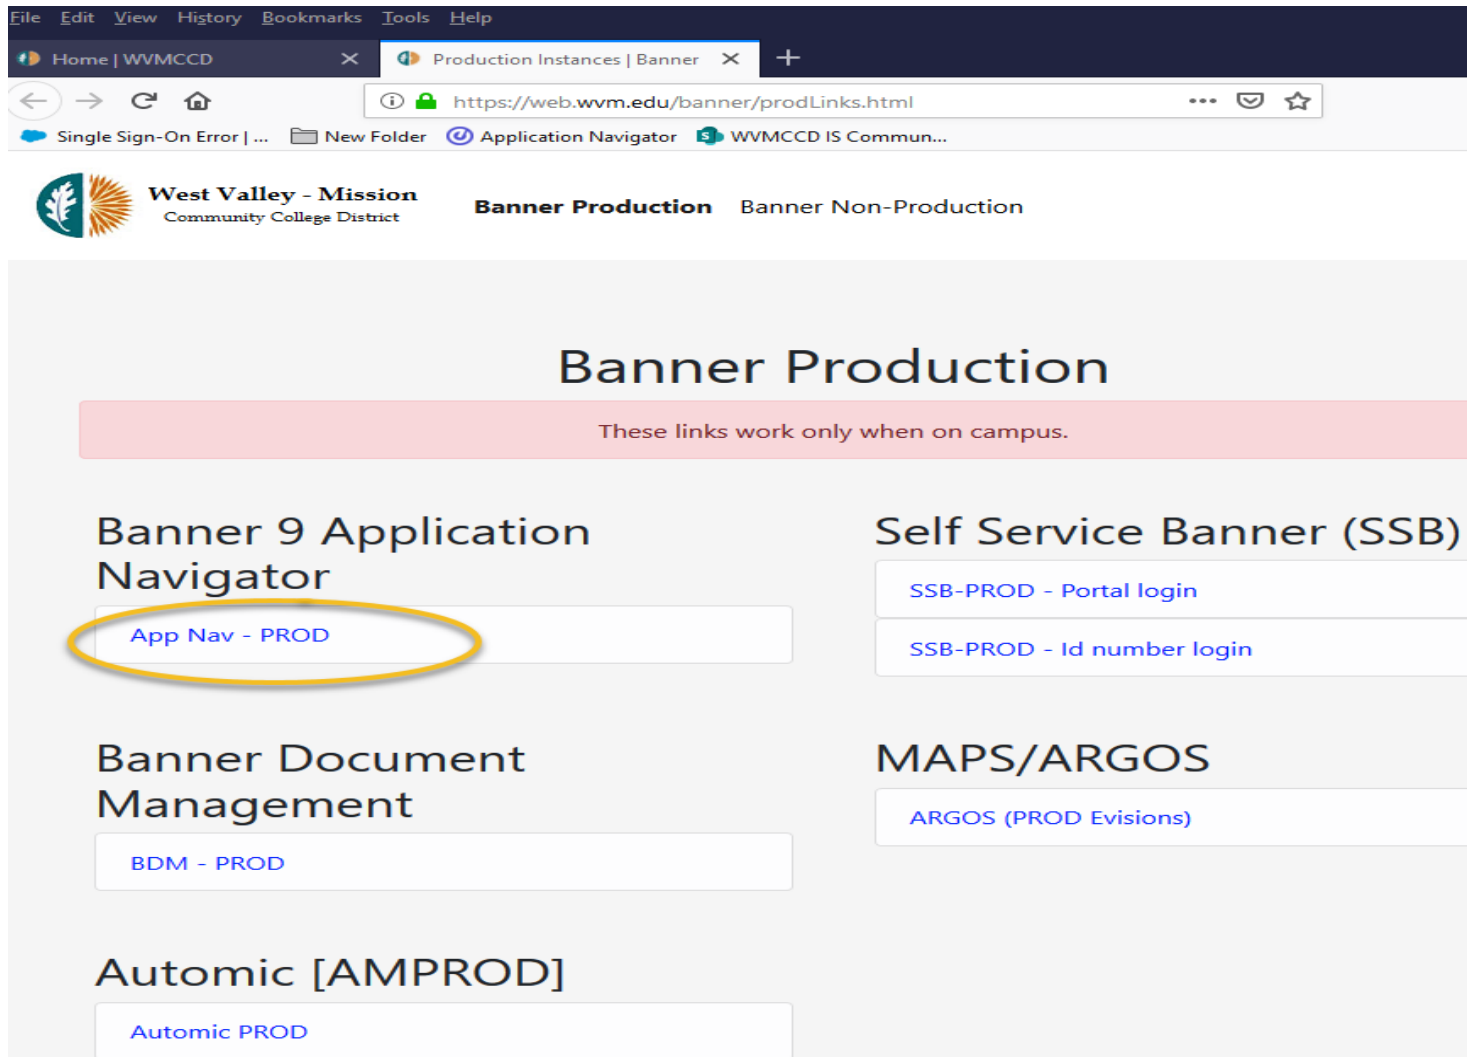

Note: Banner INB is not accessible through the web unless you are using the Remote Desktop Connection.

Enter link: <https://wvm.edu>

Step 1: Scroll-down until you see the link to Banner and click on "**PROD**" to log into Banner Base Line.

## Step 2: Click on “App Nav – PROD” under Banner 9 Application Navigator

The screenshot shows a web browser window with the URL <https://web.wvm.edu/banner/prodLinks.html>. The page title is "Banner Production" and it includes a navigation menu with "Banner Production" and "Banner Non-Production". A pink banner states "These links work only when on campus." Below this, there are four main sections:

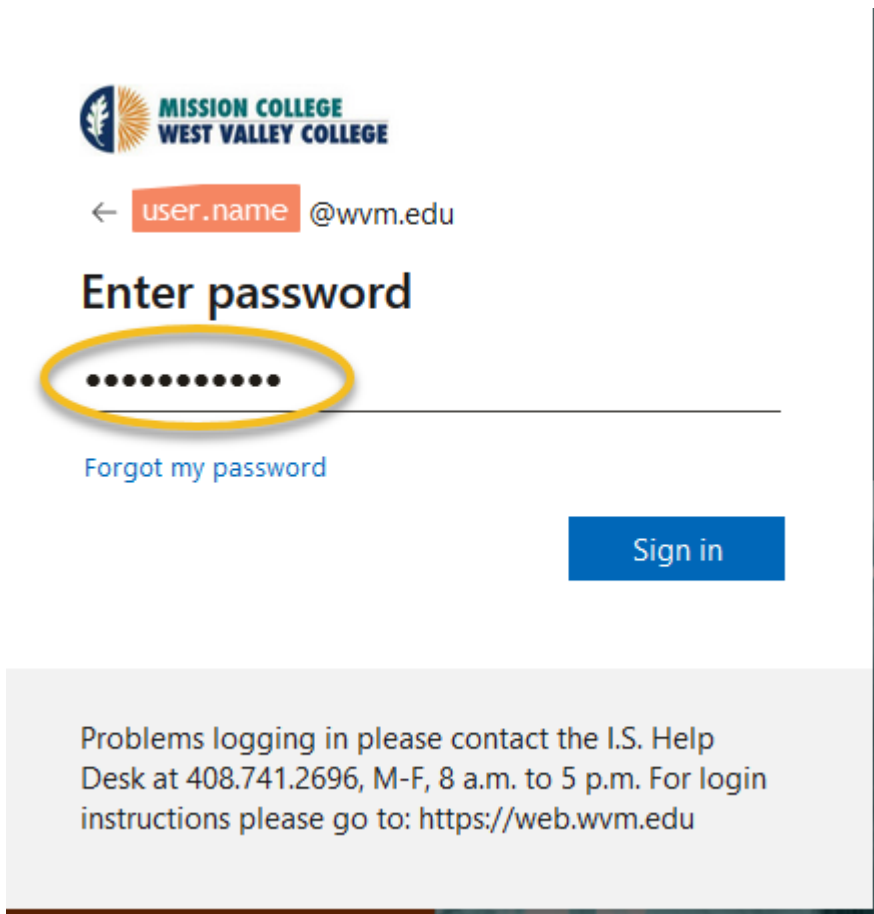

- Banner 9 Application Navigator**: Contains a button labeled "App Nav - PROD" which is circled in yellow.
- Banner Document Management**: Contains a button labeled "BDM - PROD".
- Automatic [AMPROD]**: Contains a button labeled "Automatic PROD".
- Self Service Banner (SSB)**: Contains two buttons: "SSB-PROD - Portal login" and "SSB-PROD - Id number login".
- MAPS/ARGOS**: Contains a button labeled "ARGOS (PROD Evisions)".

## Step 3: Continue by clicking the your user account

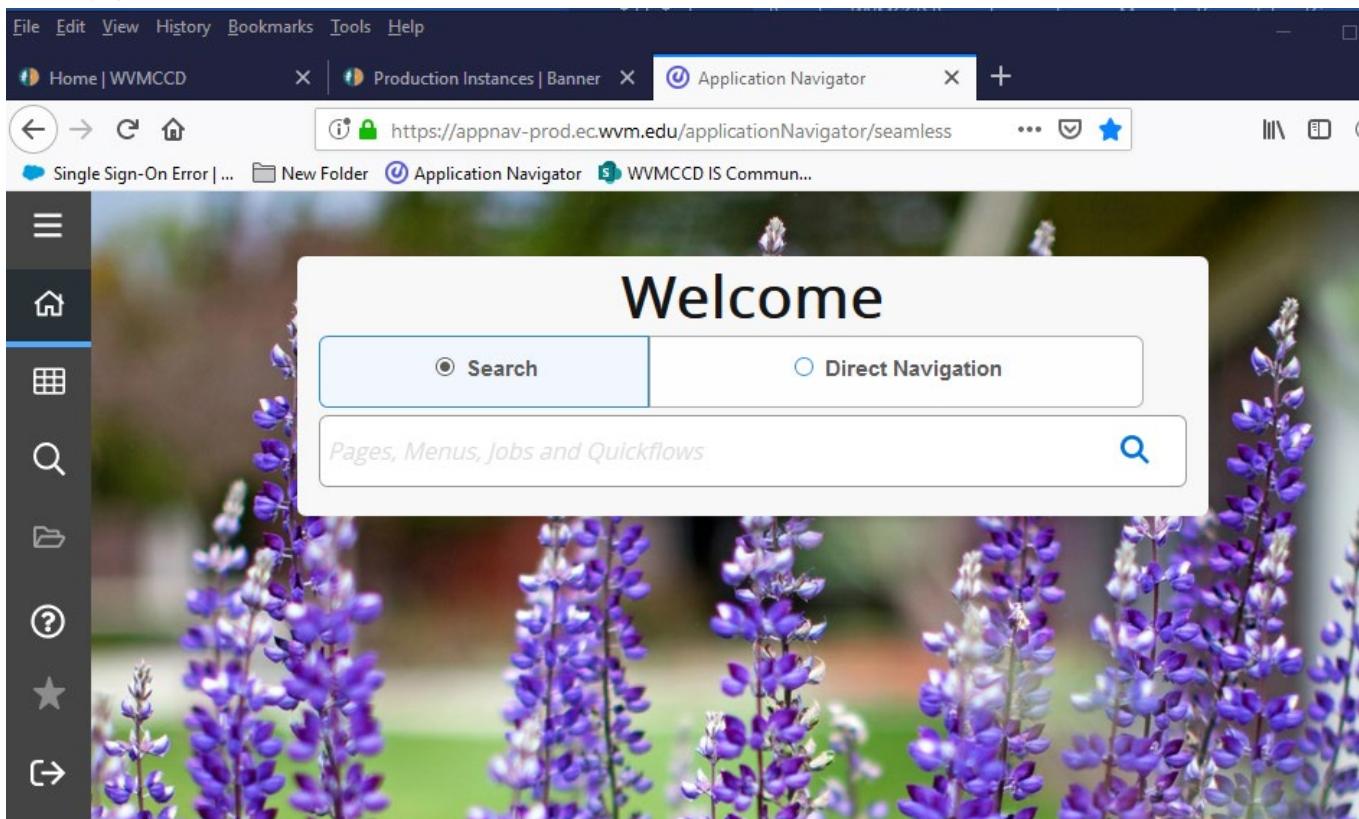

The screenshot shows the "Pick an account" screen. At the top left is the logo for "MISSION COLLEGE WEST VALLEY COLLEGE". Below the heading "Pick an account", there is a list of accounts. The first account is "user.name @wvm.edu", which is circled in blue. A yellow arrow points to the account icon. Below this account is a plus sign icon and the text "Use another account".

Step 2: Enter your Username and Password. The password is the same as the Windows login password.

The screenshot shows the login interface for Mission College West Valley College. At the top left is the college logo. Below it, a text input field contains the email address 'user.name@wvm.edu'. The main heading is 'Enter password', followed by a password input field with ten dots, which is circled in yellow. Below the password field is a link that says 'Forgot my password'. To the right is a blue 'Sign in' button. At the bottom, a grey box contains the text: 'Problems logging in please contact the I.S. Help Desk at 408.741.2696, M-F, 8 a.m. to 5 p.m. For login instructions please go to: <https://web.wvm.edu>'.

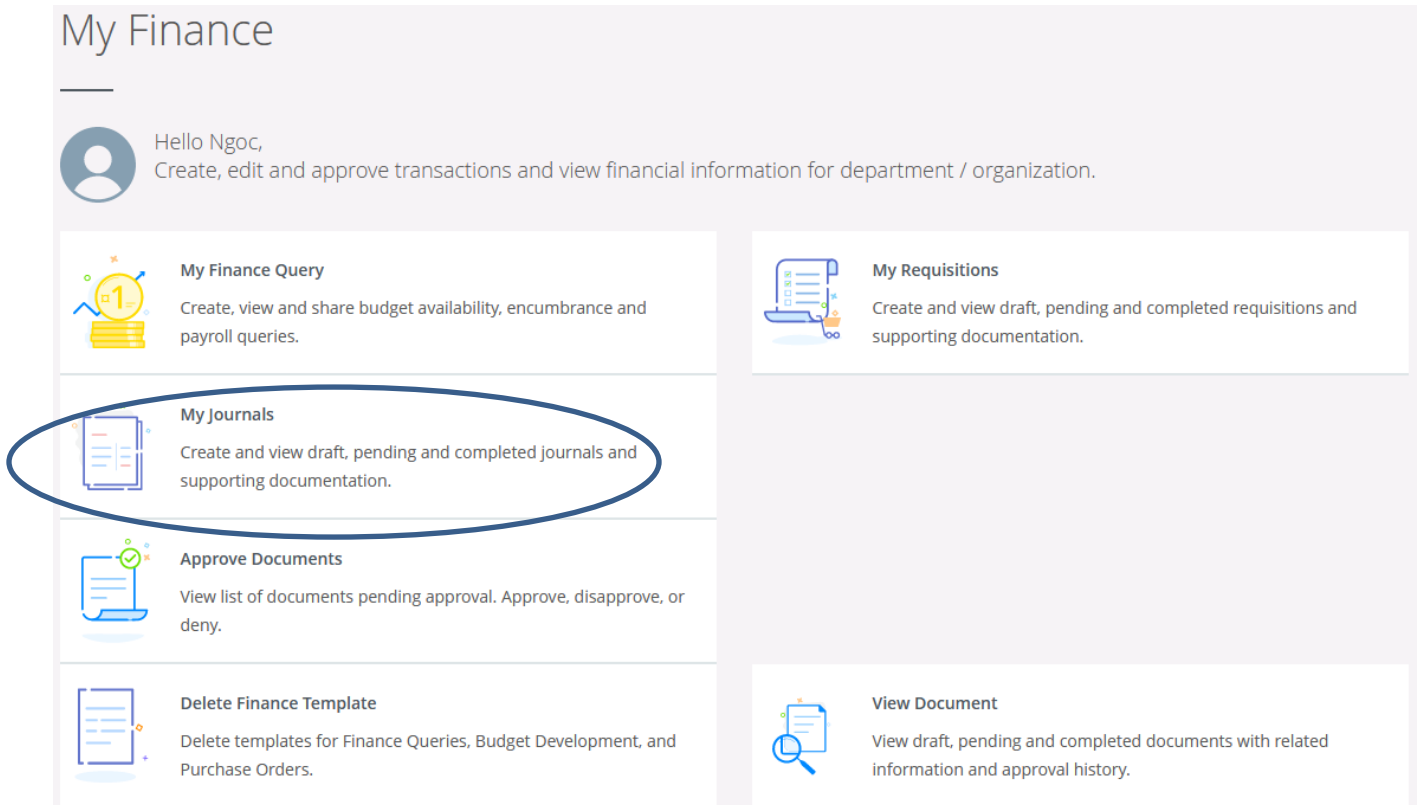

The next screen shows the access page for Banner INB:

Note: To find instructions on working in INB, go back to the table of contents to select appropriate topic.

## Initiate Transfers (Budget and Expense) in SSB9

Step 1: Access SSB9 and select “**Finance Self Service**”. Select “**My Journals**” from the menu.

The screenshot shows the 'My Finance' dashboard. At the top, it says 'Hello Ngoc, Create, edit and approve transactions and view financial information for department / organization.' Below this are several tiles:

- My Finance Query**: Create, view and share budget availability, encumbrance and payroll queries.
- My Requisitions**: Create and view draft, pending and completed requisitions and supporting documentation.
- My Journals**: Create and view draft, pending and completed journals and supporting documentation. This tile is circled in blue.
- Approve Documents**: View list of documents pending approval. Approve, disapprove, or deny.
- Delete Finance Template**: Delete templates for Finance Queries, Budget Development, and Purchase Orders.
- View Document**: View draft, pending and completed documents with related information and approval history.

Step 2a: Click on “**Create Journal**” to initiate a new journal. Options to view draft journals, pending journals, and completed journals are available on this screen. Options to copy journal, reverse journal, and recall journal are available by clicking on the three dots to the right of each journal. Recall options are only available for draft and pending journals.

				<a href="#">View More</a>

Step 2b: Complete fields highlighted in yellow. They will copy over to the fields on the journal in the next screen.

- **Transaction Date** is the posting date.
- **Journal Type:** It is important to select the proper journal type as it can lead to different approval routing. Select one of the following codes:

<u>College</u>	<u>District</u>	
JC5	JD5	+ or - Expense Transfer (same fund)
JC6	JD6	+ or - Expense Transfer (between different funds)
BC4	BD4	+ or - Budget Transfer

**Budget Transfers** are intended to realign budget within the same fund. It is important to note that transfers are not allowed if budget is not available. Budget transfers are in whole numbers and should not include cents.

**Expense Transfers** are intended to move actual expenditures from one account to another to correct the original posting. Expenses can be moved between funds.

- **Description:** Provide a brief description of expense/budget transfer.

Examples of descriptions:

- Realign budget (**backup is optional**)
- J Smith CC 06/22/2020 (**clearing credit card**)
- Corr PR 5/30 JSmith (**correct salary account only**)
- I0012345 Office Depot (**change FOAP for an invoice**)
- Trans fr Fund 110000 to 120000 (**Interfund transfer**)
- Check #/Reference # (**Revenue**)
- **Bank Code:** It is used for JC6 and JD6 for expense transfer between two different funds. Select bank code '00' Cash in county treasury general fund.
- **Budget Period.** Change the default budget period of 01 based on the corresponding month of the transaction date e.g., transaction date June 26 should have the budget period of 12.

<b>01</b>	July
<b>02</b>	August
<b>03</b>	September

- Click on '**CREATE**' to create the journal.

The screenshot shows a 'Create Journal' form with the following elements:

- Transaction Date \***: A date input field containing '09/21/2023' with a calendar icon.
- NSF Checking**
- My Journal Defaults Section**:
  - Journal Type**: A dropdown menu with 'Choose Journal Type' and a downward arrow.
  - Bank Code**: A dropdown menu with 'Choose Bank Code' and a downward arrow.
  - Budget Period**: A dropdown menu with 'Choose Budget Period' and a downward arrow.
- Description**: An empty text input field.
- My JV Comment**: A section header.
- My JV Public Comment**: A section header with an upward arrow.
- : A large text area for public comments with the placeholder text 'Enter public comments for the journal'.
- CREATE**: A blue button at the bottom center, circled in blue.

Step 2C: Fill in the FOAP, Amount, and +/- and select 'ADD ACCOUNTING' to add the account string to the journal.

- Enter the **FOAP**.
- Enter the **amount**.
- **Debit/Credit** Field: (+) represents an increase and (-) represents decrease.
- After all the information have been entered, click on 'ADD ACCOUNTING' to add the account string and amount to the journal. System will assign journal number after clicking on 'ADD ACCOUNTING'. Repeat process to add additional accounts.

# Viewing Documents (Journals, Requisitions, POs and Invoices) Processed in SSB and INB

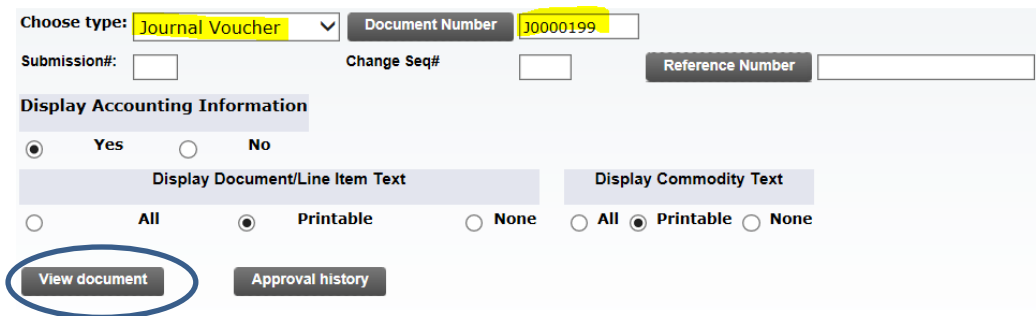

## Viewing Documents in SSB

The Finance SSB View Document form allows end users to view detailed information about a document (requisition, purchase order, invoice, journal voucher, encumbrance, or direct cash receipt). This option allows you to see all documents that exist in INB and SSB.

Step 1: Select **View Document** within Finance.

Step 2: To display the details of a document enter parameters then select **View Document**. If you do not know the document number, select **Document Number** to access the Code Lookup feature. This enables you to perform a query and obtain a list of document numbers to choose from. Leave all other selections to default to original setting.

The screenshot shows the 'View Document' form. The 'Choose type:' dropdown is set to 'Journal Voucher'. The 'Document Number' field contains 'J0000199'. Below this, there are fields for 'Submission#', 'Change Seq#', and 'Reference Number'. Under 'Display Accounting Information', the 'Yes' radio button is selected. There are also options for 'Display Document/Line Item Text' and 'Display Commodity Text', each with 'All', 'Printable', and 'None' radio buttons. The 'View document' button is circled in blue.

## Banner FUPLOAD Process (Upload Journals in INB/Administrative)

The **FUPLOAD** process allows the loading of journals with more than five lines in Banner INB. The steps below will guide users to complete the upload template.

**College**      **District**

**JC5**      **JD5**      + or -      Expense Transfer (same fund)

**JC6**      **JD6**      + or -      Expense Transfer (between different funds)  
Use bank code 00 - Requires bank code, but does not touch bank funds.

**BC4**      **BD4**      + or -      Budget Transfer

Expense = +	Revenue = +
Expense = -	Revenue = -

Step 1: **FUPLOAD** Journal Entry Template: Set up a template for each Rule Code (see example below for budget transfer using rule code BC4). **Do not change any format in this template or upload will not work.**

1. Column A - place in the number "1" on each row that has a transaction.
2. Column H – Use T for today or enter date format: yyyyymmdd (20200425) for April 25, 2020.
3. Column K - key in the rule code to be used BC4, JC5, JC6, BD4, JD5, and JD6.
4. Column L - key in the letter 'D' for District Chart of Account.
5. Column N - key in the Fund.
6. Column O - key in the Organization.
7. Column P - key in the Account.
8. Column Q - key in the Program.

9. Column V - key in the Amount to be transferred. **Hash total** is automatically calculated. It is the absolute value, which is the document total.
10. Column W - key in the (+) or (-).
11. Column Y - key in the description for each line (description needs to be clear). Refer to page 19 for examples of descriptions.
12. Column Z – is only required for JC6 and JD6 for expense transfers between two different funds. Bank Code should be “00”.
13. Column AO – (Optional) Enter document text on the first line only, if desired.

Note: Transfer using rule code BC4 is used for new grant or adjustments to revenues. Plus (+) sign is used in column W to indicate an increase in budget for revenue and expense.

# OPTIONAL - Querying Department Budget and Transaction History

Users have an option to view budget and transaction history in SSB and INB.

## Querying Department Budget in SSB

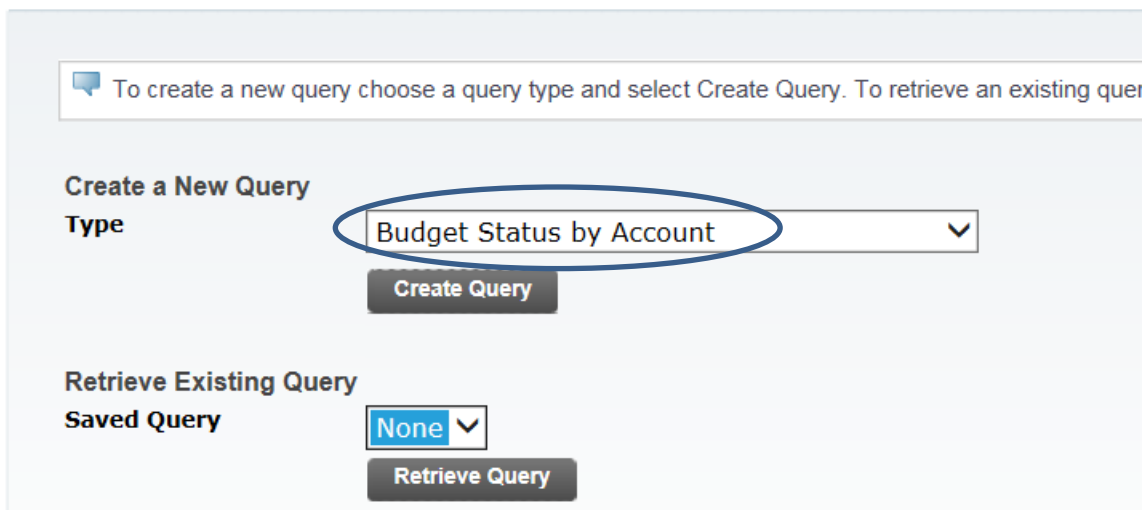

Step 1: Go into SSB and click on **Budget Queries** within **Finance** to access screen.

Step 2: Choose a query type from the drop down menu and select **Create Query**. To retrieve an existing query, choose a saved query and select **Retrieve Query**.

Select **Budget Status by Account** on the drop down menu and click on **Create Query** to view budget by account.

← | Home > Finance > Budget Queries

Step 2a: Select the data columns to display on the report by clicking in the box to insert a check mark. The setting will default to the selection for future queries. Click on **Continue** to proceed to the next screen. Enter a query name in the **Save Query as** box if you would like to save the query for future use.

BD1	Adopted Budget	Can drill into transaction
	Budget Adjustment	Does not apply
	Adjusted Budget	Total of the Adopted Budget and Temporary Budget
BC4 BD4	Temporary Budget	Can drill into transaction
	Accounted Budget	Does not apply
	Year to Date	Actual revenue or expense
	Encumbrances	Total reservations and commitments
	Reservations	Posted requisitions
	Commitments	Posted purchase order
	Available Balance	Adjusted budget, less year-to-date, less encumbrances

Step 2b: For Budget Query to be successful, a user must enter a value in the **Fiscal Year**, **Fiscal Period**, **Chart of Accounts** and **Organization**. All information retrieved are through the fiscal year to date.

For a Budget Query to be successful, a user with Fund Organization query access must enter a Fiscal Year, Period, and Chart of Accounts fields. If Grant information is queried, all retrieved information will be placed through the Fiscal Year to Date.

To perform a comparison query select a Comparison Fiscal Year and Period in addition to the required fields. The comparison information will be placed next to the corresponding comparison fiscal period.

Step 4: The **Budget Quick Query** on the drop down menu allows users to view budget by Adjusted Budget, Year-to-Date, Commitments, and Available Balance. This query functions the same as the Budget Status by Account and the Budget Status by Organizational Hierarchy. The only exception is that this option does not allow the selection of columns and it does not allow the viewing of detailed document information.

## Querying Department Budget in INB/Administrative

The five forms below allow end users the ability to view budget information in Banner.

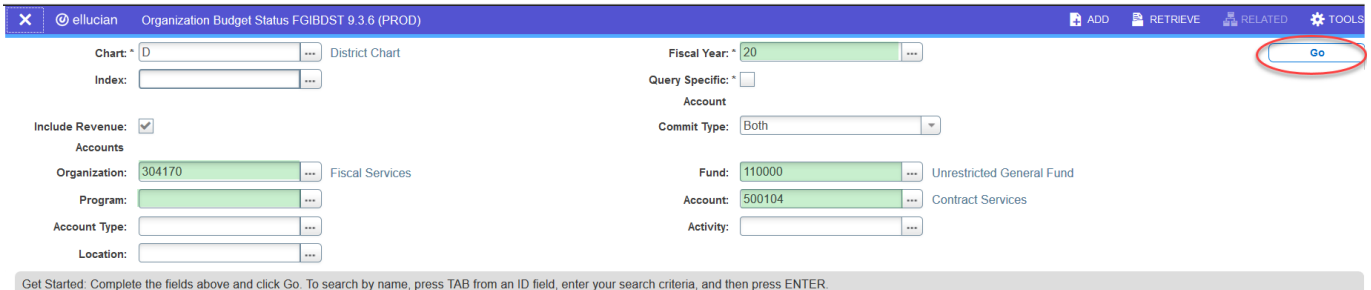

<b>FGIBDST</b>	Organizational Budget Status	View Posting in Operating Ledger (Revenue and Expense)
<b>FGIBAVL</b>	Budget Availability Status	View budget availability for a selected fund, organization, account, and program combination
<b>FGITRND</b>	Detail Transaction Activity	View detailed transaction activity for operating ledger accounts
<b>FGIBSUM</b>	Budget Summary	View summarized budget information by user-defined account type for a selected organization/fund combination
<b>FGIENCD</b>	Detail Encumbrance Activity	View purchase order showing the vendor, invoices, status and remaining balance of the PO.

**FGIBDST** allows end users to query the organizational status of accounts on adjusted budget, year-to-date activity, budget commitments, and available balance for selected fund, organization, account, and program combinations. The numbers reflect all posted transactions. Pending documents in approval queues are not included in query.

Step 1: Enter information for Chart, Fiscal Year, FOAP, and Account Type and click on **Go**.

- Chart and Fiscal Year are required. (Chart D = District)
- Any FOAP selection must be data enterable (Six digits). Users are not required to fill in the complete FOAP.
- Account Type is level 2 only. It is not required.
- To include revenue budget, user must click on the box next to **Include Revenue Account** to insert a check mark.

Note: Adjusted Budget is the current working budget. YTD Activity is the year-to-date actuals. Commitments are the encumbrances.

## Query Vendor and Payment Information in INB

The steps below will guide users to view vendor invoice and payment transaction in INB.

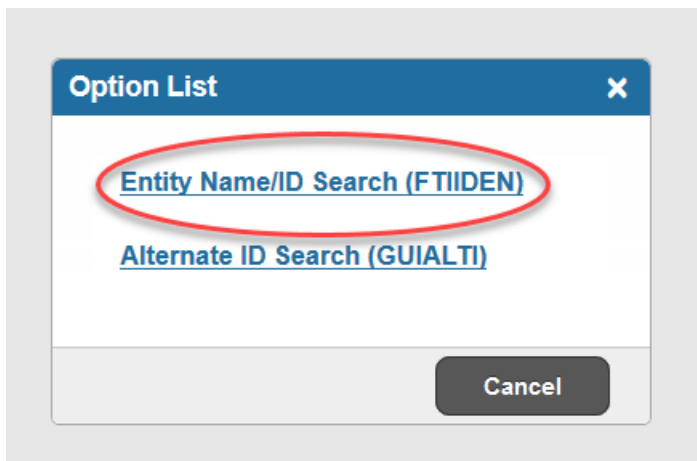

Access the vendor detail history form **FAIVNDH** to retrieve invoice or payment information.

Step 1: Enter a Vendor ID in the **Vendor** field or click the ellipses/search  icon to the right of the vendor box and select **Entity Name/ID Search (FTIIDEN)** to retrieve an existing vendor.

The screenshot shows the 'Vendor Detail History FAIVNDH 9.3.6 (PROD)' form. It includes fields for 'Vendor', 'Selection' (set to 'All'), 'Invoice Date From', 'Vendor Hold', 'Fiscal Year' (set to '20'), and 'Invoice Date To'. A green 'Go' button is on the right. A red circle highlights the search icon (three dots) to the right of the 'Vendor' field. A status bar at the bottom reads: 'Get Started: Complete the fields above and click Go. To search by name, press TAB from an ID field, enter your search criteria, and then press ENTER.'

Step 2: Click on “Entity Name.ID Search”

The screenshot shows an 'Option List' dialog box with a close button (X) in the top right. Two options are listed: 'Entity Name/ID Search (FTIIDEN)' and 'Alternate ID Search (GUIALTI)'. The first option is circled in red. A 'Cancel' button is at the bottom.

Step 3: Type Company Name under Last Name. Using wild character % before and after a text will provide more data.

### Displaying Approval History for a Specific Document

The Document Approval History Form **FOIAPPH** displays the approval history for a specified document. This form best illustrates approval tracking for a document.

Step 1: Access the Document Approval History Form **FOIAPPH**. Enter the document number and perform **Execute Query** to view the approval history for the document.

The screenshot shows the FOIAPPH 8.0 (TEST) application window. The window title is "Document Approval History FOIAPPH 8.0 (TEST)". The application has a menu bar with "File", "Edit", "Options", "Block", "Item", "Record", "Query", "Tools", and "Help". Below the menu bar is a toolbar with various icons. The main content area is divided into two panels. The left panel contains a table with the following columns: "Document Code", "Type", "Change Sequence", and "Submission Number". The first row of data has "J0000199" in the "Document Code" column, "JV" in the "Type" column, and "0" in the "Submission Number" column. The "Document Code" cell is circled in blue. The right panel contains a table with the following columns: "Queue ID", "Level", "Approver's Name", and "Approved Date". The data in this table is as follows:

## Review Finance Forms and Procedures

### Check Request (AP 6310)

The Check Request Form shall not be used to pay for the purchase of equipment and furniture. All equipment and furniture purchase must go through General Services.

To request payment for items that cannot be purchased using a purchase order or to request reimbursement for items that cannot be reimbursed through petty cash, employees should adhere to the following:

- Check requests shall be used in the following situations when a purchase order is not an option:
  - Registration fees/conference fees
  - Employee reimbursements
  - Memberships
  - Subscriptions
  - Received Materials and Services
- Original detailed receipts and/or appropriate back-up documentation is required for reimbursement or payment. The Check Request Form along with original receipts shall be submitted no later than 45 days after receiving the invoice, event, or purchased.

Special circumstances will be allowed, but must have the approval of the College Vice President of Administrative Services or District Executive Director of Financial Services. An employee cannot authorized payment for himself or herself. His/her supervisor must sign the Check Request Form to reimburse a budget administrator.

#### **Common cause of payment/reimbursement delays:**

1. Missing itemized receipts
2. Missing proper signatures
3. Incomplete form (e.g., address, missing FOAP, etc.)
4. No budget

## **Travel and Conference Reimbursement (AP 6311 in process of being updated)**

District employees and members of the Board of Trustees are entitled to request reimbursement for travel and conferences made on the District's behalf. All claims for reimbursement must be accompanied by original receipts. The claim shall be submitted no later than **45 days** after the date of travel.

Prior Board approval must be obtained for any travel at District expense if the total travel expense will exceed \$10,000 for any one event or purpose, without regard to the number of individuals traveling.

If the employee is issued a District credit card, the employee should use the card to pay for all expenses related to official business travel, including event registration, lodging, meals and transportation. Meals shall not exceed the per diem rates.

Employees shall make their own travel arrangements.

It is the District's intent that no employee shall incur a personal financial gain as a result of traveling on district business.

### **Prior to travel**

Prior to traveling for a district-related conference or event, the employee must complete "Section I" of the Conference Attendance Reimbursement form and submit it to his/her supervisor/budget administrator for approval regardless of the funding source. Once approved, retain the form and complete after attending the conference.

### **Prepayment**

Prepayment for registration, hotel and airfare may be made by through a District/personal credit card or a check request. Claims for prepayment reimbursements may be processed upon incurring the cost and prior to the conference or event. The employee shall submit a check request for each vendor who is to receive a check for prepayment. A copy of the approved and signed conference attendance form and back-up documentation for the prepayment expenses must accompany the check request.

### **Upon completion of travel**

After the conference, complete "Section II" of the original form (including all prepaid expenses), attach all applicable original receipts, secure appropriate approval signatures, and submit the form to Accounts Payable. The reimbursement request should include all expenses (hotel, airfare, car rental, mileage etc.) for the one event. The form and documentation will be reviewed by Accounts Payable prior to issuing a reimbursement check or ACH transfer.

### **Meals**

For a one day trip (less than 24 hours) that does not require an overnight stay, no meal reimbursement will be provided.

For trips that exceed 24 hours, the average of the daily California per-diem meal reimbursement rate established by the U.S. General Services Administration shall be applied. Employees are not eligible

for meal reimbursement if the conference is providing the meals or if the meals are charged on a District-issued credit card. If meals are charged on a District-issued credit card, the employee will be responsible for the difference of the actual charge and the per-diem limit.

### **Rental Cars**

The standard size for automobile rental is a “compact” unless more than two employees share a single vehicle. Car rentals are allowed one day before or after the conference.

There will be no reimbursement for car rentals that are beyond the conference period.

### **Airfare**

Air travel shall be by regularly scheduled airlines in coach class with standard check-in. All expenses above the regular coach class and standard check-in **will not be reimbursed** by the District. Upgrading to a more expensive class or early check-in is allowed but only at the employee’s expense.

### **Hotel**

While traveling on District business, employees are encouraged to stay at moderately priced hotels. Employees are also encouraged to stay within the hotel where the conference is taking place. Expense items for the following will not be reimbursed: expenses for spouse or children, personal use items, hotel laundry, in-house movies, alcoholic beverages, telephone calls or wireless internet (other than for Conference/District business). Hotel stays are allowed one day before or no more than one day after the conference, depending on the location of the conference. Hotel stay that exceeds the conference period will be at the employee’s expense.

### **Mileage**

Mileage for the use of a personal vehicle will be reimbursed at the current IRS-approved rate. The rate is intended to cover all costs associated with operation of the vehicle, including insurance, repairs, fuel, and other operating expenses. In most cases reimbursement will be based upon the distance from the District/College to the conference destination using the “Standard Mileage” list. If the destination is not identified on the “Standard Mileage” list, you may be asked to provide an internet map showing the total miles traveled. If attending a meeting or conference, a copy of the agenda or announcement with location and date must also be provided (excluding meetings at the District or colleges).

When traveling between campuses, mileage may be claimed for roundtrip travel if the employee is returning to his/her primary work location to continue the workday. If the employee travels to the sister college and ends his/her work day at that location, mileage may only be claimed one way. If an employee starts and/or ends his/her workday at a location other than the primary work location, mileage may be claimed from the primary work location to the off-site work location (not including District sites).

Mileage expenses may be allowed between the employee’s residence and the common carrier or destination if the business travel originates or terminates before or after the employee’s working hours, or during a regularly scheduled day off. Under all circumstances, the shortest route should be chosen for mileage reimbursement purpose. Mileage for personal excursions while at a conference will not be reimbursed. If it is determined that airfare to the conference/event, plus the estimated cost of a rental car, would have been less expensive than the reimbursement for using a personal vehicle, the employee will be reimbursed at the cost of the airfare, plus the estimated cost of a rental car.

Claims for mileage reimbursements may be submitted as frequently as needed, but at least once a quarter.

The use of personal vehicles by employees on District business is at the employee's own risk. An employee's personal vehicle insurance is considered primary coverage.

## Petty Cash (AP 6300)

Petty cash in the amount of \$5,000 is held in each college A&R Office for the purpose of covering minor expenditures that may arise. Requests can be made to reimburse employees for the purchase of supplies and postage expenditures of \$100 or less. Supplies are defined as items costing \$100 or less that are necessary to sustain or conduct day-to-day business of a particular department.

Requests are limited to an aggregate of \$100 per employee, per month. Multiple receipts may be submitted. Splitting an expense of \$100 between two or more employees is not allowed. Requests must have the signature of the appropriate budget administrator and the Vice President of Administrative Services or designee.

Original receipts must accompany each request and must contain: transaction date, vendor name and address, a detailed list of the items purchased, the cost of each item, and the total cost of all items. Copies of receipts and/or calculator tapes will not be accepted. Merchandise purchased on-line must be delivered to the District Warehouse in order to receive reimbursement. Items delivered to personal addresses will not be reimbursed.

Petty Cash requests must be submitted within **45** days of the date of the transaction.

Petty Cash requests will not be processed for reimbursement of food for meetings.

District Finance will conduct a random audit of Petty Cash. Budget Administrators will be held accountable for improprieties identified by the Finance Department.

Revised 9/30/19

## District Credit Cards (AP 6330)

In order to expedite the purchase and accounting of low cost and frequently needed items, the District may authorize the use of credit cards by specified employees whenever there is sufficient benefit to the District. In all such cases, the District shall follow procedures that provide checks and balances for the procurement methods in use.

District credit cards are issued through the General Services Department.

Most cardholders will have a monthly limit of \$1000. A higher monthly limit may be authorized by the Assistant Vice Chancellor of Finance and Administration.

Credit cards shall not be used for: retail liquor, contracted services, marina boat services, private/air services, education, cash advances, recreation, health services, organizational memberships, wholesale services, entertainment, utilities, financial services, professional services or to purchase equipment.

Merchandise purchased on-line must be delivered to the district warehouse.

Every cardholder shall hold a regularly established position at the District and shall agree to all terms and conditions established for the issuance of a District credit card.

Every cardholder shall sign his/her card in the presence of a designated District issuer immediately upon taking possession of the card.

The cardholder shall be personally liable for inappropriate charges and shall be personally responsible for the settlement of any dispute on any purchase with a vendor.

### **Each credit card is restricted from charges made to the following types of transactions unless approved by the Associate Vice Chancellor of Finance and Administration or Designee:**

- Acquisitions of individual items that exceed \$300.00
- Furniture and/or equipment, not limited to computers, copiers, printers, AV and media equipment, and/or telecommunication devices
- Software/computer or phone applications or software licenses without the approval of the General Services Department (may require ADA Accessibility verification-VPATs)
- Purchases from eBay, PayPal, Amazon or CraigsList without the approval of the General Services Department
- Contract Services that require a contract with an authorized signature, including Lease Agreements or Rental Agreements of any kind.
- Professional Services Agreements of any type including independent contractors, consultants, instructors, speakers, performers, maintenance/repair agreements, facility rental agreements, equipment rental agreements
- Memberships, institutional memberships, subscriptions

### **The following transactions are prohibited:**

- International purchases or foreign transactions

- Alcoholic beverages, narcotics, or any other controlled substances
- Gambling or online gaming, contest or raffle expenses
- Weapons of any kind, explosives, hazardous/toxic materials or other items deemed by dangerous
- Cash Advances, money orders, wire or electronic transfers, gift cards/certificates or other cash equivalent items
- Transfer of charges or using cards between individuals
- Splitting an order to avoid cardholder per-transaction limits
- Facility or building improvement goods or services (e.g., paint, carpet, window coverings)
- Medical products, drugs, pharmaceutical products or medical services
- Recreation, personal use items or services of any kind, or any purchase resulting in personal gain
- Utilities or communication access charges
- Financial services, fines, penalties interest or finance charges
- Service subscriptions or licensing agreements, including annual or periodic-recurring charges
- Gifts, donations, stipends, honorariums or contributions to individuals or organizations
- Fuel for personal use
- Education
- Entertainment
- Wholesale Services
- Boat/Air Service (This is for marina boat services; Air Travel is allowed through common carriers)

Merchandise purchased on-line must be delivered to the district warehouse.

Every cardholder shall hold a regularly established position at the District and shall agree to all terms and conditions established for the issuance of a District credit card.

Every card issued requires approval from the requester's budget administrator, the appropriate Vice President of Administrative Services for the colleges, and the budget administrator and the Associate Vice Chancellor of Finance and Administration for District Services.

Every cardholder shall sign his/her card in the presence of a designated District issuer immediately upon taking possession of the card.

The cardholder shall be personally liable for inappropriate charges and shall be personally responsible for the settlement of any dispute on any purchase with a vendor.

**The District issued credit card will be revoked for the following reasons:** used for personal or unauthorized purposes; used to purchase alcoholic beverages or any substance, material, or service which violates policy, law, or regulation pertaining to the District; allows the card to be used by another individual; splits a purchase to circumvent the purchase limit assigned to the card; the cardholder uses another cardholder's card to circumvent a purchase limit assigned to either cardholder; accepts a personal gratuity from a vendor; uses the card to purchase gratuities or gifts; fails to provide the Purchasing Office with information about any specific

purchase; fails to provide documentation confirming that charges are approved within thirty days of a billing cycle; fails to provide receipts for items charged to the credit card (Missing Receipt forms can be used for the occasional missing receipt; however, if more than one receipt is missing within the same billing cycle or a missing receipt form is submitted more than four times per fiscal year, the card will be revoked; fails to provide the Finance Department with expense transfer documentation that may be necessary to record a purchase appropriately; charges food to the general fund without proper authorization or fails to provide the required information for food purchases; or does not adhere to any of the credit card policy and procedures. The credit card is the property of the bank and the bank may, at any time, revoke card privileges under the provisions of its policies and procedures.

The cardholder is personally responsible for guaranteeing that all charges are for appropriate District expenses, that purchases are within budget limits, and that the purchase does not violate any other law, regulation, or policy of the Board. Neither the bank nor the District assumes responsibility for non-District purchases. The cardholder shall be liable to the District and to the bank for any non-District purchases.

The cardholder shall immediately notify the Purchasing Department if the credit card is lost, stolen, or in the possession of an unauthorized person. A written follow-up, including pertinent information on the cause of the loss or use by an unauthorized person, shall be forwarded to the Purchasing Department in timely manner.

Every cardholder shall take reasonable precautions with the credit card. These include, but are not limited to: keeping the card in view after it is given to a clerk and re-securing it as soon as possible; avoid signing a blank receipt; drawing a line through blank spaces above the total when you sign; destroying all carbons and void (when a mistake was made) receipts; save all credit card receipts. Upon receiving your monthly accounting report, check your receipts and payments against the statement; immediately report in writing any questionable charges to the Purchasing Department; never lend your card to anyone; never leave your card, receipts, or carbons where anyone can pick them up; never putting the card number on a postcard or outside of an envelope; never giving the card number over the phone unless you are dealing with a company you are sure is legitimate. Whenever possible, use those vendors identified by the Purchasing Department.

The District and its employees are prohibited from using funds for private purchases, private expenses, or gifts.

In order for food purchases to be permitted, there must be a clearly defined business purposes. Be prepared to document that food expenditures are reasonable and justifiable if audited. If food expenses are necessary for business meetings, including meals, snacks, beverages, or similar items, they are to be approved, in advance, by either the College President, Vice President, or the Associate Vice Chancellor of Finance and Administration. Along with their approval, the following must be submitted: a list of people attending the meeting, lunch, dinner or college event; the reason for the meeting/event; and the itemized receipt of the expenses. If the food being purchased is funded by the unrestricted general fund, it must be pre-approved by either the College President or the Associate Vice Chancellor of Finance and Administration.

If the food being purchased is for a meeting or event, please contact General Services to determine if it is possible to issue the food vendor a Purchase Order. Allow sufficient time for the transaction to be processed. Failure to adhere to these procedures will result in suspension or revocation of your credit card.

If an employee is issued a District credit card, the employee should use the card to pay for all expenses related to official business travel, including event registration, lodging, transportation, and meals.

Employees should not use the District-issued credit card for meals if the conference is providing the meals.

If the credit card is used for travel and conference expenses, a Travel and Conference Form must still be submitted showing there was prior approval. You will NOT be reimbursed for expenses charged against the District credit card. See AP 6311 for additional details. Each budget administrator is responsible for monitoring the budget to assure the cardholder does not exceed their department budget.

**Payment for charges made against the credit card shall be processed as follows:**

- When the statements are transmitted or otherwise received by the District, the charges against each card shall be charged to that card's designated budget account.
- Monthly Credit card statements are sent directly to each cardholder by the bank. It is the cardholder's responsibility to: complete the "Monthly Credit Card Log;" attach his/her monthly credit card receipts and the credit card statement; and submit to his/her department manager for review and approval.
- If missing a receipt, a Missing Receipt Form must be submitted with the monthly purchase report.
- The department manager or budget administrator shall confirm each and every purchase as to amount and purpose. Confirmation shall be evidenced by the responsible manager's signature on the monthly purchase report, and the date of approval.
- It is the responsibility of the Budget Administrator to ensure that his/her department cardholders are submitting monthly statements with receipts attached and that all receipts are accounted for. Those statements are then forwarded to General Services for review.
- The Budget Administrator is required to transfer expenses from the credit card clearing account to the appropriate department accounts every month. A copy of the signed monthly Credit Card Log, and a copy of the credit statement must be uploaded to an expense transfer through Banner SSB for processing.
- If the credit card was used for travel and conference costs, the cardholder must submit with his/her Monthly Credit Card Log a copy of the approved Travel and Conference Form

**The cardholder shall be personally liable for unauthorized charges and be required to reimburse the District immediately for any such charges with a personal check made payable to "West Valley-Mission Community College District." Any unauthorized use of the credit card shall result in immediate suspension of the card and appropriate**

**disciplinary action shall be taken in accordance with appropriate contractual and statutory processes. Suspension/Termination guideline as follows:**

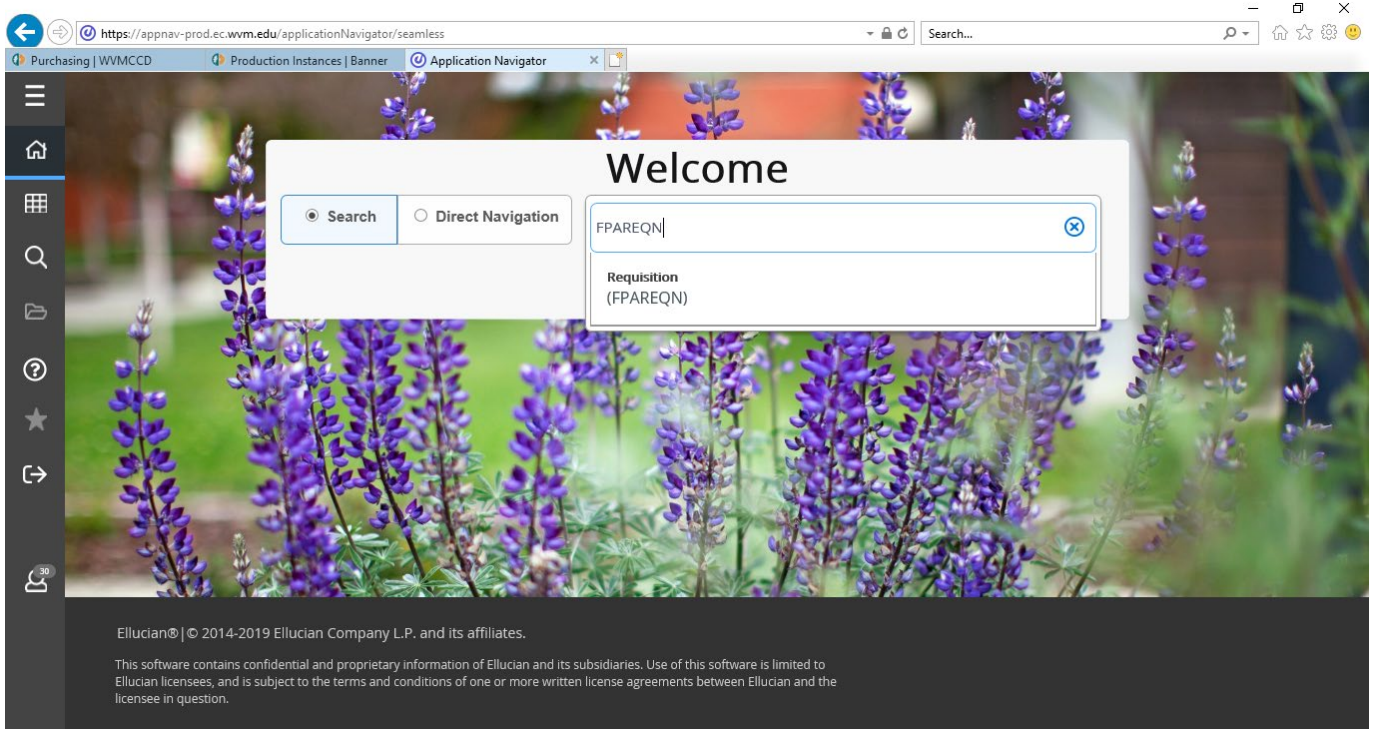

- 1st violation: Warning with cardholder having to resolve issue within 10 business days.
- 2nd violation: subject to suspension. Cardholder must resolve issue within 10 business days. Timeline of suspension to be determined based on type of violation and at the discretion of the office of the Associate Vice Chancellor of Finance and Administration.
- 3rd violation: Credit card will be terminated for a minimum of six months and/or indefinitely.

Step 7a: The requisition number should automatically populate at the top left of the page. Make sure to make note of the number.

- When working in the **Commodity** and **Accounting fields** make sure to tab through all screens. This will help with Banner calculating.
- **Never** use the **Commodity box**. Tab past the Commodity box to enter in the **Description**. Enter the description of the goods being purchased in the **Description** field.
- Tab and enter the unit of measure in the **U/M** field.
- Tab and enter in **Tax Group, CAD or D00**. CAD is automatically populated. All physical items need to have tax even if the vendor does not collect it.
- Tab and enter the quantity in the **Quantity** field.
- Tab and enter the price in the **Unit Price** field.
- Tab all the way through until you end up back at the line item.

The screenshot shows the Ellucian Requisition Entry interface. The top navigation bar includes 'ADD', 'RETRIEVE', 'RELATED', and 'TOOLS'. The main header displays 'Requisition: R0024755' (circled in red) and a 'Start Over' button. Below this is the 'REQUISITION ENTRY: REQUESTOR/DELIVERY' section with fields for Requisition (R0024755), Order Date (10/19/2020), Transaction Date (10/19/2020), and Delivery Date (10/19/2020). The 'Commodity/Accounting' tab is active, showing a table with the following data:

Item	Commodity	Description	U/M	Tax Group	Quantity	Unit Price	Commodity Text	Item Text	Add Commodity
1		Open PO for Environment...	EA	D00	1.00	5,000.0000			

Below the table, summary statistics are shown: Extended Amount (5,000.00), Tax (0.00), Commodity Total (5,000.00), and Document Total (5,000.00). The 'ACCOUNTING' section at the bottom shows a table with columns for Sequence, COA, Year, Index, Fund, Orgn, Acct, Prog, Actv, Locn, Proj, NSF Override, and NSF St. The currency is set to USD.

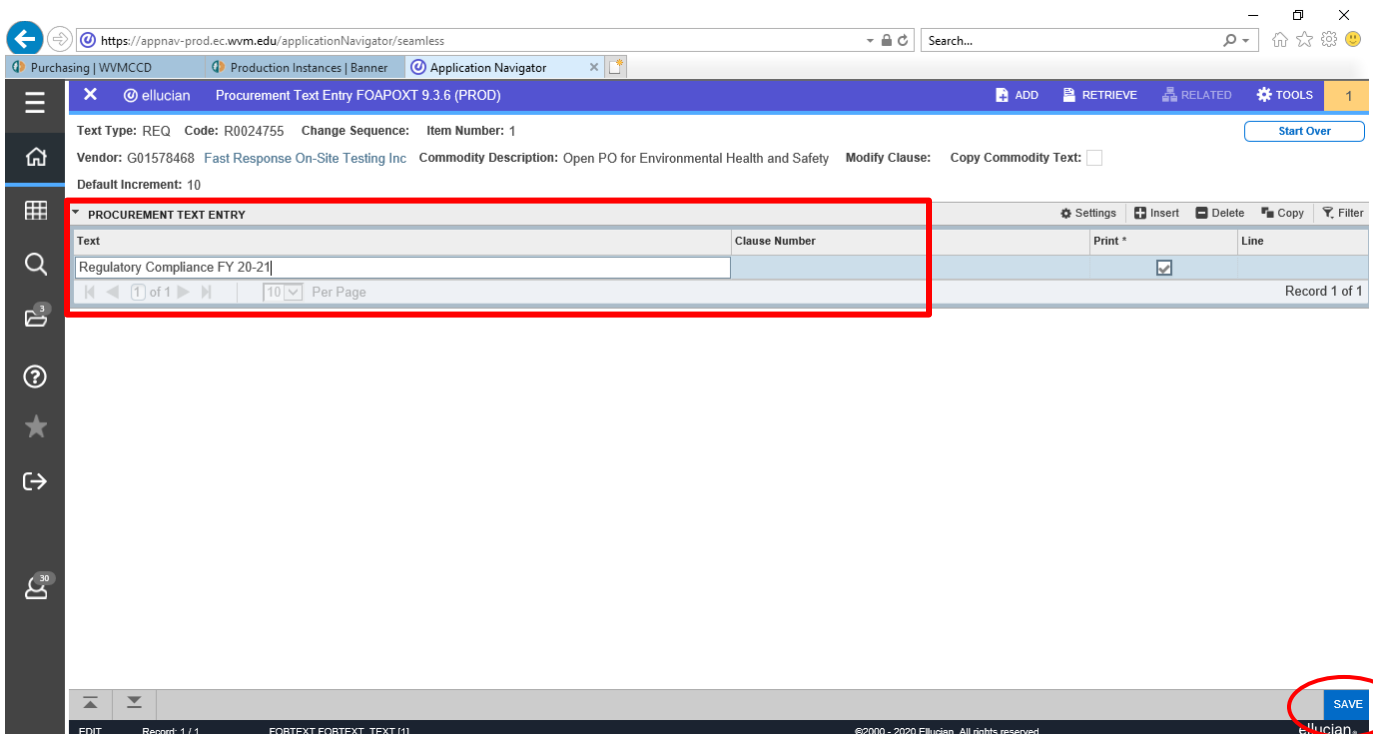

Step 7b: Add additional description by entering information in the **Item Text**. From the **Related** tab in the upper right corner of the screen, select **Item Text**.

Step 7c: Click on **Go** in the upper right corner to active text screen.

Step 7d: Type additional description in the **Text** field and click **Save** in the bottom right corner of the screen and exit.

Step 8: To add additional items, arrow down using keyboard.

Select the **Next Section** or **Alt+Page Down** button in lower left corner to proceed to next step.

The screenshot shows the 'COMMODITY' section of the application. The 'Item Text' checkbox is checked. In the bottom left corner, a red circle highlights a button labeled 'Next Section'.

Item	Commodity	Description	U/M	Tax Group	Quantity	Unit Price	Commodity Text	Item Text	Add Commodity
1		Open PO for Environer	EA	D00	1.00	5,000.0000		<input checked="" type="checkbox"/>	<input type="checkbox"/>

Step 9: To enter account information in the **Accounting** fields (**Fund, Orgn, Acct, and Prog**) hit the **Tab** button to enter in the information. Then click on the **Next Section** or **Alt+Page Down** button to proceed to the next screen. If additional item text was added, the **Item Text** box is now checked.

The screenshot shows the 'ACCOUNTING' section of the application. A red box highlights the 'Fund', 'Orgn', 'Acct', and 'Prog' fields in the table below.

Sequence	COA	Year	Index	Fund	Orgn	Acct	Prog	Actv	Locn	Proj	NSF Override	NSF St
D		21		110819	309600	500104	677000				<input type="checkbox"/>	

Step 10: Click on **Complete** to finalize the process. At this point, the requisition is routed to the approval queues.

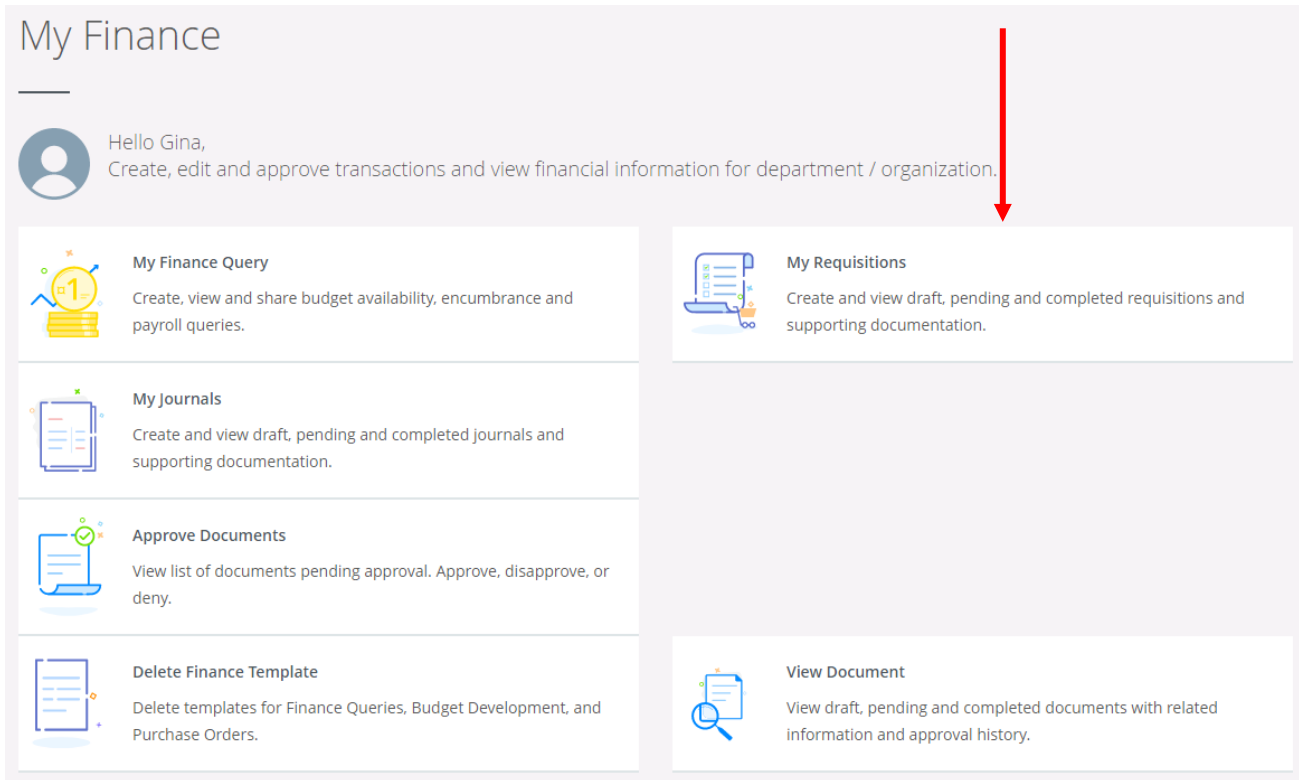

The screenshot shows the Elucian Requisition System interface for requisition R0024755. The 'Balancing/Completion' tab is active, displaying a table of amounts and a 'Complete' button circled in red.

**Title and Number:**

**Highly recommend Employee notify supervisor (approver) that the Time Sheet is ready for review and approval.**

## Approving Timesheets Online

### Supervisors and Managers (Approver) Responsibilities

An Approver is the individual who has the ability to update, change, return, or approve the Time Sheet submitted by his/her Employee. The Approver is responsible for ensuring that all of his/her Employees submit their time worked. Each Time Sheet should be reviewed in detail to ensure that the time submitted is correct. The Time Sheet needs to be approved (and if necessary corrections are made and communicated) by payroll deadlines.

1. Designate at least one Proxy to perform responsibilities in an absence.
2. Provide hourly employees access to a computer so they can enter their time routinely.
3. Train hourly employee to utilize WTE in SSB.
4. Verify Employees have initiated their Time Sheets at the beginning of the Pay Period.
5. Verify that all Employees have submitted their Time Sheets for approval prior to the Employee WTE deadline on the Payroll Calendar. Notify Employees that they need to submit Time Sheet when they have not done so.
6. It is the responsibility of the Approver to verify the Employee has accurately entered the hours and days the work is performed.
7. Approve all Time Sheets prior to the Approver deadline.
8. Notify Proxy to review and approve Time Sheets on your behalf when you are not going to be available to perform this responsibility.

### Assigning Proxy (Backup Approver) in SSB

Approvers are responsible for setting up their own Proxies within Banner Web Time Entry. Each Approver must have one or more Proxies who can approve Time Sheets in their absence. The Proxy should be able to verify that the Employee has worked the hours submitted and must be a Full-Time Employee at the same level or higher than the Approver.

As a general rule, a Proxy's position should be at the same level or higher than the Approver.

Step 1: Click on **Proxy Set Up** in blue font to assign Proxy.

## Step 2: Completing timesheets

### Signatures:

- All signatures are required for processing a payment
- Signatures must be an original or DocuSign
- If you are both the Supervisor and Budget Administrator, sign both lines
- Missing signatures causes delay in processing

### FOAP:

- The FOAP must be present and valid for the timesheet to be considered complete
- Payroll will not make changes to the FOAP unless directed to do so
- Missing FOAP causes delay in processing

### Break Periods:

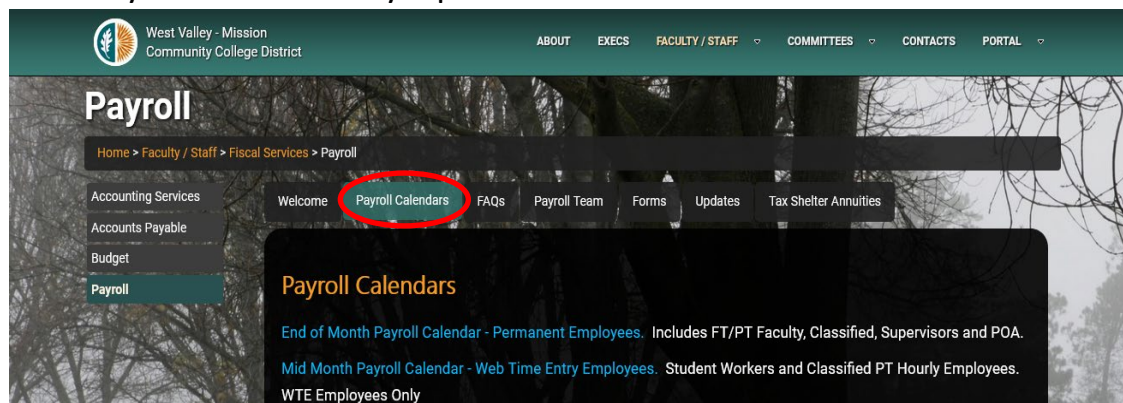

- Ensure staff is taking breaks in accordance with CA Labor Law
  - A 30 minute break must be taken after working 5 hours, *if* they will be working more than 6 hours
  - If their shift is no more than 6 hours, the required 30 minute break can be waived with Supervisor approval
  - These Labor Law rules do not apply to hourly counselors or police

### Comments Box:

- If the employee worked on a holiday, the Supervisor approval must be noted in the comments box
- If normal working hours vary, please note this in the comments box
- Failing to do this causes delay in processing

### Timesheet Deadline:
