5.2 Termination for Default. Either the District or Inspector Firm may terminate this Agreement upon seven (7) days advance written notice to the other if there is a default by the other Party in its performance of a material obligation hereunder and such default in performance is not caused by the Party initiating the termination. Such termination shall be deemed effective the seventh (7th) day following the date of the written termination notice, unless during such seven (7) day period, the Party receiving the written termination notice shall commence to cure it default(s) and diligently thereafter prosecute such cure to completion. In addition to the District's right to terminate this Agreement pursuant to the foregoing, the District may terminate this Agreement upon written notice to Inspector Firm if: (i) Inspector Firm becomes bankrupt or insolvent, which shall include without limitation, a general assignment for the benefit of creditors or the filing by Inspector Firm or a third party of a petition to reorganize debts or for protection under any bankruptcy or similar law or if a trustee or receiver is appointed for Inspector Firm or any of Inspector Firm's property on account of Inspector Firm's insolvency; or (ii) if Inspector Firm disregards applicable laws, codes, ordinances, rules or regulations. If the District exercises the right of termination hereunder, the Contract Price due the Inspector Firm, if any, shall be based upon Project Inspector Services, authorized Additional Project Inspector Services and authorized Reimbursable Expenses incurred or provided prior the effective date of the District's termination of this Agreement, reduced by the District's prior payments of the Contract Price and losses, damages, or other costs sustained by the District arising out of the termination of this Agreement or the cause(s) for termination of this Agreement. Payment of the amount due the Inspector Firm, if any, shall be made by District only after completion of Project construction. 5.3 District Right to Suspend. The District may, in its discretion, suspend all or any part of Project construction or the Inspector Firm's services hereunder; provided, however, that if the District shall suspend construction of the Project or Inspector Firm's services hereunder for a period of sixty (60) consecutive days or more and such suspension is not caused by the Inspector Firm's default or the acts or omissions of the Inspector Firm, upon rescission of such suspension, the Contract Price will be subject to adjustment to reflect actual costs and expenses incurred by Inspector Firm, if any, as a direct result of the suspension and resumption of Project construction or Inspector Firm's services hereunder. Except as set forth herein, the Contract Price hereunder is not subject to adjustment for any suspension of Project construction authorized or directed by the District.

- 5.4 District Termination For District Convenience. The District may, at any time, upon seven (7) days advance written notice to Inspector Firm terminate this Agreement, in whole or in part, for the District's convenience and without fault, neglect or default on the part of Inspector Firm. In such event, the District shall make payment of the Contract Price to Inspector Firm for Project Inspector Services, authorized Additional Services and authorized Reimbursable Expenses provided or incurred through the date of termination plus actual costs incurred by Inspector Firm to de-mobilize from the Site. Except as set forth above, the Inspector Firm shall not be entitled to other compensation if the District exercises the right to terminate hereunder, including without limitation anticipated profit on the unperformed portion of Project Inspector Services.
- 5.5 Inspector Firm Suspension of Project Inspector Services. If the District shall fail to make payment of the Contract Price undisputedly due the Inspector Firm, the Inspector Firm may, upon seven (7) days advance written notice to the District, suspend further performance of services hereunder until payment in full of the undisputed portion of the Contract Price is received. In such event, Inspector Firm shall have no liability for any delays or additional costs of Project design or construction due to, or arising out of, such suspension.

Upon the District's exercise of the right of termination hereunder, the Inspector Firm shall take action as directed by the District relating to the Project Inspector services and related work product.
