Issuance of a parking permit does not guarantee the holder a parking space; only access to the facilities. The West Valley- Mission College District assumes no liability for damage, loss, theft, or other acts which may occur to private vehicles utilizing District facilities. Vehicles left after regular school hours without prior approval of the District Police are subject to tow per (CVC 22651.) Acceptance and use of this permit constitutes an agreement by the user to comply with all parking and traffic policies of the District. Permits remain the property of the West Valley-Mission Community College District. Persons driving motorcycles must only park in designated motorcycle spaces. Motorcycles do not require a parking permit. Motorcycles are subject to citation if not parked in the designated "motorcycle" parking areas on campus.

Staff permits are non-transferable and are for the exclusive use of the employee issued the permit. Unauthorized use of the permit by other persons, including family members, will result in the confiscation of the permit(s).
